Patterns of Episcopal Leadership Gerald P. Fogarty, 1989      *Communication Patterns and Communality Among Congregational Leaders* William John Sadler, 1970      **Social-Scientific Approaches to New Testament Interpretation** David G. Horrell, 1999-01-01 In the past twenty five years New Testament scholars have drawn on the social sciences especially anthropology and sociology to develop a variety of new perspectives on early Christianity David Horrell here gathers together the classic works in this field including essays by for example John Barclay Philip Esler Wayne Meeks Luise Schottroff and Gerd Theissen For each selection David Horrell provides a short introduction and suggestions for further reading He also provides an introduction outlining the development and future prospects of the discipline An excellent reference and textbook for scholars and students      *The Pattern of Christian Truth* H. E. W. Turner, 2004-10-29 Walter Bauer's Orthodoxy and Heresy in Earliest Christianity created a stir with its argument that the teachings later condemned as heresy in the later second century onward were in fact dominant in the earliest decades of the church This full scale response by H E W Turner has not enjoyed the attention it deserves Turner's volume represents a learned and sophisticated restatement of the traditional view what became official orthodoxy was taught early on by the majority of church teachers albeit not in fully developed form      *Records of the American Catholic Historical Society of Philadelphia*, 1988      *Religion Index Two*, 1991      **Patterns of Leadership Among Negroes in North Carolina** John Rodman Larkins, 1959      *Zeitschrift für Ostmitteleuropa-Forschung*, 1998      **The Zionist Churches in Malawi** Strohbehn, Ulf, 2016-05-11 This book presents an African Christian movement full of vitality and creativity The reader will meet believers who drink milk so that they may dream about angels reports about funerals where the mourners dance with the coffin on their shoulders and church members who are ritually not allowed to fertilize their fields or wear neck ties The author's unique insight into Malawi's Christian community addresses important issues in society Why have Spirit Churches including Pentecostalism been so successful in Malawi Why do some religious groups still refuse medical help up to the point that children die of cholera How did the independent churches deal with the colonial trauma In this masterful portrait Strohbehn takes the reader from industrial mine compounds to rural colonies where churches have set up their own spiritual and political rule He carefully dissects the fine lines between traditional notions and Christianity's influence We find a spiritual portrait of the Ngoni people a fascinating cultural analysis of dancing and an encounter with a unique style of preaching      *Governance, Accountability, and the Future of the Catholic Church* Francis Oakley, Bruce Russett, 2004 Proceedings of a conference held Mar 28 30 2003 at Yale University Includes bibliographical references p 203 228 and index      **Patterns for Parish Development** Celia A.
