undertaken in Hispanic and Lusophone gender studies developing earlier insights and forging new ones to refine the debate continuing in the subject The contributors include both established scholars with a proven track record and promising newcomers to the field The volume arises from the individual research projects and sustained discussions of Women in Spanish Portuguese and Latin American Studies WiSPs an organisation that exists to promote scholarship by and about women in the field of Iberian Lusophone and Latin American Studies This volume celebrates the first seven years of WiSPs s life and presents some of the research presented under its auspices at annual conferences and study days **Forthcoming Books** Rose Arny,2003-04 *The Book Review Digest* ,2004 *British Bulletin of Publications on Latin America, the Caribbean, Portugal and Spain* ,2003 **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur** ,2003 Environment and Planning ,2008 *The Times Index* ,2010 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement
