Rationality And Religious Belief

Thomas D. Senior

Rationality And Religious Belief:

Rationality, Religious Belief, and Moral Commitment Robert Audi, William J. Wainwright, 1986 This book is unified by three broad concerns the rationality of belief in God the relation between religion and morality and the explication of the concept of God The essays are however marked by diversity Some focus on historical figures such as Aquinas and Locke others bring recent epistemological and metaphysical developments to bear on problems of religious belief Some of the papers explore neglected issues central to religious practice such as the question of how total devotion to God can permit other deep commitments others apply philosophical distinctions from within a religious tradition for example in setting out a Christian approach to the problem of evil

Rationality and Religious Belief Cornelius F. Delaney, 1997 *Rationality and Religious Theism* Joshua L. Golding, 2017-11-22 Throughout the ages one of the central topics in philosophy of religion has been the rationality of theistic belief This book proposes that parties on both sides of this debate might shift their attention in a different direction by focusing on the question of whether it is rational to be a religious theist Explaining that having theistic beliefs is primarily a cognitive affair but being a religious theist involves a whole way of life that includes one's beliefs Golding argues that it can be pragmatically rational to be a religious theist even if the evidence for God's existence is minimal The argument is applied to the case of Judaism articulating what is involved in religious Judaism and arguing that it is rationally defensible to be a religious Jew The book concludes with a discussion of whether a similar argument might be constructed for other versions of religious theism such as Christianity or Islam and for non theistic religions such as Taoism or Buddhism Joshua Golding offers a carefully wrought explanation of how it can be rational for someone to live a religious life in particular but not necessarily only a traditional Jewish life

New Developments in the Cognitive Science of Religion Hans van Eyghen, 2018-07-14 It is widely thought that the cognitive science of religion CSR may have a bearing on the epistemic status of religious beliefs and on other topics in philosophy of religion Epistemologists have used theories from CSR to argue both for and against the rationality of religious beliefs or they have claimed that CSR is neutral vis vis the epistemic status of religious belief However since CSR is a rapidly evolving discipline a great deal of earlier research on the topic has become dated Furthermore most of the debate on the epistemic consequences of CSR has not taken into account insights from the philosophy of science such as explanatory pluralism and explanatory levels This volume overcomes these deficiencies This volume brings together new philosophical reflection on CSR It examines the influence of CSR theories on the epistemic status of religious beliefs it discusses its impact on philosophy of religion and it offers new insights for CSR The book addresses the question of whether or not the plurality of theories in CSR makes epistemic conclusions about religious belief unwarranted It also explores the impact of CSR on other topics in philosophy of religion like the cognitive consequences of sin and naturalism Finally the book investigates what the main theories in CSR aim to explain and addresses the strengths and weaknesses of CSR

The Justification of Science and the Rationality of Religious Belief Michael

C. Banner,1990 In this critical examination of recent accounts of the nature of science and of its justification given by Kuhn Popper Lakatos Laudan and Newton Smith Banner contends that models of scientific rationality which are used in criticism of religious beliefs are in fact often inadequate as accounts of the nature of science He argues that a realist philosophy of science both reflects the character of science and scientific justifications and suggests that religious belief could be given a justification of the same sort *The Rationality of Religious Belief* William James Abraham,1987 These essays represent an important contribution to modern philosophical theology They begin with an appreciation of Basil Mitchell s work and then discuss the role of reason in the justification of Christian theism giving special attention to the nature of informal reasoning in religion and science The latter essays examine particular arguments raised by specific religious concepts covering such topics as the problem of evil conspicuous sanctity atonement and the Eucharist Drawn from a wide spectrum of philosophers and theologians the contributors include Maurice Wiles Grace M Jantzen Gordon Kaufman J R Lucas Rom Harr Richard Swinburne and Michael Dummett Sacrifice Regained Sarah Coakley,2012-01-05 This inaugural lecture by Sarah Coakley delivered at the University of Cambridge on 13th October 2009 considers the striking cultural dominance in the latter part of the twentieth century of a violent and negative rendition of the notion of sacrifice Coakley asks whether it is a coincidence that at the same time philosophers of religion have tended to be in notable retreat from bold public claims about the rationality of Christian truth In contrast to this double trend and in riposte to the New Atheism of the secularists Coakley argues that the most recent deliveries from evolutionary biology augur a vision of sacrifice which is both rationally defensible and biologically grounded Evolutionary dynamics religious practice and hermeneutics and new arguments for the rationality of belief belong together and this nexus of themes demands the closest attention as the world confronts the profoundest ecological crisis it has yet known Rationality and Religion Roger Trigg,1998-06-08 Rationality and Religion deals with the perennial question of how far religious faith needs reason Faith, Freedom, and Rationality Jeff Jordan,Daniel Howard-Snyder,1996-06-28 The philosophy of religion once considered a deviation from an otherwise analytically rigorous discipline has flourished over the past two decades This collection of new essays by twelve distinguished philosophers of religion explores three broad themes religious attitudes of belief acceptance and love human and divine freedom and the rationality of religious belief **Rationality and Religious Commitment** Robert Audi,2011-09-22 Can it be rational to be religious Robert Audi gives a persuasive positive answer through an account of rationality and a rich nuanced understanding of what religious commitment means It is not just a matter of belief but of emotions and attitudes such as faith and hope of one s outlook on the world and of commitment to live in certain ways The Justification of Science and the Rationality of Religious Belief Michael C. Banner,1990 The author examines the nature of scientific theories and of religious belief and argues that religious belief can receive a defence as compelling as that given to the best scientific theories *The Justification of Science and the Rationality of Religious Belief* Michael C. Banner,1987 **Rationality in Science,**

Religion, and Everyday Life Mikael Stenmark, 2016-09-15 Mikael Stenmark examines four models of rationality and argues for a discussion of rationality that takes into account the function and aim of such human practices as science and religion

The Rationality of Belief and the Plurality of Faith Thomas D. Senior, 2019-05-15 A veritable who's who in the field of contemporary philosophy of religion here considers various issues in the epistemology of religious beliefs. The writings of William P. Alston, the leading figure in the revival of the Anglo-American philosophy of religion, provide the focus of these essays. All but two previously unpublished. Philosophers of religion, metaphysicians, epistemologists, and theologians will find in this volume some of the most important work available in the theory of knowledge and the epistemic status of religious belief.

Scientific Theory and Religious Belief Eberhard Herrmann, 1995 Peeters 1995 **The Rationality of Theism** Godehard Brüntrup, R.K. Tacelli, 2013-04-17 In May 1998 a distinguished group of philosophers met in Munich to discuss the rationality of theism. This volume is a collection of the papers read at that conference. While in recent years the rationality of theistic belief has been widely discussed, the Munich conference was an event of some moment in the history of philosophical dialogue for the first time. German and English speaking philosophers of religion, representatives of both the Continental and the Anglo-Saxon traditions, joined together to grapple with a common philosophical theme. This multiplicity of perspectives brought a unique richness to the analysis of rationality that no one tradition by itself could provide. Readers will find that richness displayed in the pages of this book. Professional philosophers will find here a great deal to stimulate and challenge them, but graduate students, capable undergraduates, and all others with a serious interest in the philosophy of religion will be well rewarded for their efforts to come to grips with these thought-provoking papers. *Evidentialism and the Rationality of Religious Belief* Abbas Yazdani, 2010-12 Evidentialism has been one of the prominent epistemological approaches to the rationality of belief since the time of the Enlightenment. It maintains that a belief ought to be based on sufficient evidence in order to be rationally acceptable. Some evidentialist critics of theism contend that there is not sufficient evidence for belief in God to be rationally justified. While the typical response from theists is to attempt to provide sufficient evidence to justify belief in God, some philosophers of religion have attempted to undercut this debate by showing that belief in God is a properly basic belief requiring no further evidence or argument for it to be rationally justified. The purpose of this book therefore is to examine the evidentialist challenge to the rationality of religious belief, particularly belief in God, then offer an internalist model of immediate knowledge of God through knowledge by presence. This model is the best explanation of how an immediate knowledge of God can be justified epistemically and seems more effective epistemically than other approaches to the rationality of belief in God. **Disagreement and the Rationality of Religious Belief** Kyle Irwin Andrew Scott, 2015

The Rationality of Belief in God George I. Mavrodes, 1970 Believe by W. James Faith as passionate commitment by S. Kierkegaard, God as projection by L. A. Feuerbach. Bibliographical essay, p. 205-208. [Rationality and the Study of Religion](#) Jeppe Sinding Jensen, Luther Martin, 2013-09-13 Does rationality, the intellectual bedrock of all science, apply to the

study of religion Religion arguably the most subjective area of human behaviour has particular challenges associated with its study Attracting crowd healers conjurers the pious and the prophetic alongside comparativists and sceptics it excites opinions and generalizations whilst seldom explicitly staking out the territory for the discussions in which it partakes Increasingly scholars argue that religious study needs to define and critique its own field and to distinguish itself from theology and other non objective disciplines Yet how can rational techniques be applied to beliefs and states of mind regarded by some as beyond the scope of human reason Can these be made empirically testable or comparable and replicable within academic communities Can science explicate religion without reducing it to mere superstition or redefine its truth in some empirical but meaningful way Featuring contributions from leading international experts including Donald Wiebe Roger Trigg and Michael Pye *Rationality and the Study of Religion* gets under the surface of the religious studies discipline to expose the ideologies beneath Reopening debate in a neglected yet philosophically significant field it questions the role of rationality in religious anthropology natural history and anti scientific theologies with implications not only for supposedly objective disciplines but for our deepest attitudes to personal experience Interesting and important Religion has long been associated with irrationality both by its defenders and its critics and the topic of rationality has been unjustly neglected The book certainly deserves to be widely circulated Greg Alles Western Maryland College

Fuel your quest for knowledge with is thought-provoking masterpiece, **Rationality And Religious Belief** . This educational ebook, conveniently sized in PDF (Download in PDF: *), is a gateway to personal growth and intellectual stimulation. Immerse yourself in the enriching content curated to cater to every eager mind. Download now and embark on a learning journey that promises to expand your horizons. .

Rationality And Religious Belief Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rationality And Religious Belief has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rationality And Religious Belief has opened up a world of possibilities. Downloading Rationality And Religious Belief provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rationality And Religious Belief has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rationality And Religious Belief. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rationality And Religious Belief. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rationality And Religious Belief, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rationality And Religious Belief has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Rationality And Religious Belief Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rationality And Religious Belief is one of the best book in our library for free trial. We provide copy of Rationality And Religious Belief in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rationality And Religious Belief.
