others The parable also proves that the performance of deeds of righteousness very often comes from the unlikely of characters in strange unexpected places to provide for us in ways that utterly transcend our narrow definitions or limited expectations And no more than we should not discount any human being as unworthy of our services should we deny or underestimate that any other has the capacity to initiate or reciprocate such graces Though rich in interest as a story in itself especially as an embodiment of profoundly precious lessons on the nature of love in action and at face value is both dramatic and practical in the obvious application of its meaning there is a time honored interpretation taught by the ancient assembly and preserved throughout the Middle Ages that brilliantly encapsulates the plan of salvation in such a way that has lost its metaphorical meaning in modernity The parable of the Good Samaritan testifies of the plan of salvation the Savior s atoning love and our journey toward eternal life It can not only be read as a story of a man who went down from Jerusalem to Jericho but also about all who come down from the heavenly presence of the Father to live on earth The story has a universal application for all of humanity that is as relevant and necessary today as it was when it was first declared This meaning becomes more visible as it was formerly taught and understood by the early Church fathers an interpretation the author resurrects and elucidates upon **The Good Samaritan** Linda Lovett,198? Retells the parable of the good Samaritan

Good Samaritan Victoria Kovacs,2013 The Little Bible Heroes series of books is designed to bring many of the most important stories in the Bible down to a young child s level These stories are illustrated using children and childlike people to bring to life these amazing true stories At the end of each story children are asked questions about how to apply the principles of the story to their own lives Jesus tells his followers a story about the Good Samaritan It is a story about loving your neighbor A Jew travels from Jerusalem to Jericho when robbers attack him A priest goes down the same road but when he sees the man he doesn t help him A man who serves in God s Temple sees the man but he doesn t help him either A Samaritan sees the hurt man and bandages his wounds He puts the man on his donkey and takes him to an inn where he takes care of him Samaritans and Jews don t like one another but this Samaritan follows God s command to love his neighbor
