Rave Review:

Reading, Writing, and Gender Gail Lynn Goldberg, Barbara Roswell, 2013-09-13 Like an increasing number of educators you recognize that girls and boys approach reading and writing differently and that boys are lagging behind girls in many assessments of literacy learning This book does more than describe and explain these differences It builds on the authors state of the art research to offer instructional strategies and classroom activities to help both girls and boys develop as readers and writers This book is for classroom teachers in grades 3 8 as well as for reading specialists instructional leaders and other educators It provides detailed descriptions of instructional activities accompanied by reproducible tools and materials illustrative examples of student work concise summaries of state of the art research and ideas for action research projects The strategies and activities in this book have all been classroom tested with diverse student populations

51 Tools for Transforming Your Training Kimberley Hare, Larry Reynolds, 2017-03-02 Brain Friendly Learning is not about techniques and gimmicks It is far more than just putting on baroque music or playing fun games It's a movement rather than just a method a movement to recover the real joy of learning that combines both sizzle and substance to every part of your training This resource provides a blueprint for a new generation of accelerated learning methods At its heart are five key principles Keep it real Facilitate the flow Honour uniqueness Make it rich and multi sensory State is everything well almost There is a clear explanation of the theory behind Brain Friendly Learning from the inside out the concepts and learning models you need to underpin your approach along with a journey through the most complex structure in the universe your amazing brain You'll also discover a concise guide to brain friendly training design along with tools that you can pick and adapt to help you create new training events or make over existing ones This resource is packed with activities for the trainer or facilitator Some are designed to help you understand a particular concept in more detail others are designed to apply the concept to learning events which you are facilitating You will have attended or facilitated some training sessions that engaged you motivated you and left you with new insights and new techniques that you were just

burning to try At the time you may not have been able to define what it was about these events that made them so special This resource helps you to understand exactly what the mystery ingredient is and shows you how to use the whole encyclopedia of techniques that turn training into Brain Friendly Learning

Feminism and the Politics of Literary Reputation Charlotte Templin,1995 Soon after its publication in 1973 Fear of Flying brought Erica Jong immense popular success and media fame Alternately pegged sassy and vulgar Jong s novel embraced the politics of the women s liberation movement and challenged the definition of female sexuality Yet today more than twenty years and several books later literary reputation continues for the most part to elude Jong Typecast by her adversaries as a media seeking sensationalist Erica Jong has been unfairly side stepped by academia Charlotte Templin contends In this carefully researched study augmented by personal interviews with Jong Templin assembles and analyzes the medley of responses to Jong s books by reviewers critics writers academics and the media by liberals conservatives and feminists She examines the diverse opinions on the merit and relevance to contemporary life of Fear of Flying the invocation of a high culture low culture dichotomy to discredit How to Save Your Own Life the anatomy of literary success with Fanny Jong s reception in a postfeminist age and the trivialization of Jong s works that is inevitable with mass media exposure Templin also shows how antagonistic reviewers tend to identify Jong with her fictitious characters a practice more common when the author is a woman and judge her to be guilty of the sin of not being a proper woman In turn she shows how reviewers reveal something of their own values and ideological biases in their critiques and how literary reputations are built destroyed and altered over time The first book to make a detailed examination of the reputation of a woman writer Feminism and the Politics of Literary Reputation provides an excellent case study for the literary reception of women writers within a broad cultural context Templin s analysis offers valuable insight into the reception of women writers especially commercially successful women writers and dramatically illustrates the relation of literary reputation to popular appeal and cultural mores
