Razovsky At Peace:

Hey, Crumbling Balcony! Stuart Ross, 2003-06-20 This book spans nearly 25 years in the career of one of Canada's most original poetic voices. Poems are drawn from Stuart Ross's three ECW books as well as previously uncollected work from chapbooks, postcards, and leaflets, and a selection of new poems appearing in print for the first time.

Pockets Stuart Ross, 2017-10-03 A fragmented surrealist novel of loss, nostalgia, and childhood secrets from the award-winning poet and author of *A Sparrow Came Down Resplendent*. A wonderful dream and a horrific nightmare, a fuzzy consciousness of pain and family. *Pockets* is a novel of fragments both literally and figuratively. In a series of prose-poem chapters, the nameless narrator in a largely Jewish 1960s suburb in the northern reaches of Toronto repeatedly enters the world as if for the first time. His landscape is one of bicycles with banana seats, Red Skelton trilobite fossils, and overwhelming loss. Among shadows that both comfort and threaten, a brother who drifts through the sky; he finds his narrative full of pockets of emptiness; he can't help but try to fill it. A heartbreakingly personal and brilliantly evocative work, *Pockets* redefines the novel, delivering infinite scope in something diminutive and pocket-sized. It is a work to be read and reread for its poetic beauty and hidden gems of revelation.

The Book of Grief and Hamburgers Stuart Ross, 2022-04-05 A poignant meditation on mortality from a beloved Canadian poet. A writer friend once pointed out that whenever Stuart Ross got close to something heavy and real in a poem, a hamburger would inevitably appear for comic relief. In this hybrid essay-memoir-poetic meditation, Ross shoves aside the heaping plate of burgers to wrestle with what it means to grieve the people one loves and what it means to go on living in the face of an enormous accumulation of loss. Written during the second wave of the COVID-19 pandemic, shortly after the sudden death of his brother left him the last living member of his family, and as a catastrophic diagnosis meant anticipating the death of his closest friend, this meditation on mortality, a kind of literary shiva, is Ross's most personal book to date. More than a catalogue of losses, *The Book of Grief and Hamburgers* is a moving act of resistance against self-annihilation and a desperate attempt to embrace all that was good in his relationships with those most dear to him.

Confessions of a Small Press Racketeer Stuart Ross, 2005 Best Books of 2005 Ottawa Xpress. Writer's Trust of Canada's Warm Weather Reads. Recommended by Writers' list, recommended by Robert Hough. *Confessions of a Small Press Racketeer* is equal parts literary memoir, advice for the emerging writer, and reckless tirade. Ross has been active in the Canadian literary underground for a quarter of a century; he's sold thousands of his books in the streets, published and edited magazines, trained insurgents in his Poetry Boot Camps, and started Canada's first Small Press Book Fair. Where the media focusses only on the glamorous literary lives of its few superstars, Ross gives us a glimpse into how writers really live. In *Confessions*, he declares himself the King of Poetry, explores his floundering Jewish identity, wanders into the best bookstore in Canada, offers a crash course in avoiding writing, pisses off his publishers, runs a renegade Canada booth at the International Book Fair in Managua, and begs egomaniacal young writers to stop bugging the hell out of him. Many of these essays are culled from Ross's bimonthly

of Orient Stuart Ross is one of the most important poets to have found himself somehow on planet Earth where readers have been rejoicing in his work for nearly six decades He makes it seem easy open your eyes your ears your heart look into the world and write However to do so with such unflinching candour many layered humour the deepest emotional intelligence and rarest lyric acumen No you have to be Stuart Ross to bring all of everything to bear upon being alive in one s time To rejoice is also to mourn of course and these poems are afraid to do neither Ross trusts poetry more than any of us so poetry trusts him back this book dazzles the very sunlight with what it knows including of the estrangements of the self upon which poetry so often insists and the fictitiousness of borders between the present and the past dream and not dream hilarity and grief Whoever you are including the laws of physics you will be startled and moved by The Sky Is a Sky in the Sky At times a momentarily posthumous point of view propels the poems but do not grieve or do the book is immortal Lisa Fishman author of Mad World Mad Kings Mad Composition **Cecilia Razovsky and the American Jewish Women's Rescue**

Operations in the Second World War Bat-Ami Zucker,2008 This book highlights Jewish women s activities in the 1930s and 1940s as they were reflected in one outstanding woman Cecilia Razovsky Her wide range of activities spanning more than fifty years and her outstanding devotion to assisting refugees and refugee children reveal her as a woman who dedicated her personal life and her professional skills to the Jewish people Without doubt she stands as a representative for the thousands of anonymous American Jewish women who made a difference The book is based on primary sources The Jewish American campaign for the European refugees before and during the Second World War is commonly perceived as having been spearheaded by male leaders Stephen Wise is the most familiar and outstanding figure among them other frequently mentioned personalities include Cyrus Adler Herbert Lehman Judge Joseph Proskauer Judge Julius Mack and Morris Troper Together these leaders have been credited for their efforts to persuade the Roosevelt administration to open US doors to Jewish refugees But although women too were deeply involved in Jewish community welfare projects they were seldom recognized for their activities and certainly were not accorded the attention they deserve in contemporary historiography In the tragic years before during and after the Second World War it was the vital role played by ordinary groups of Jewish women far from the spotlight and their mighty efforts to establish and maintain a firm organizational foundation that enabled the refugee workers to execute their goals The Malahat Review ,2008 **The Moosehead**
