Re Orient Change In Asian Societies:

Re Orient Aat Emile Vervoorn,2002 In a lively and accessible way **Re Orient** describes the major issues facing societies in Asia towards the end of the twentieth century and uses contemporary Asian societies as an exercise in thinking about societies in general Re Orient Aat Emile Vervoorn,2005 Publisher description **Re Orient** Robert H. Vervoorn,

Handbook of Globalization and the Environment Khi V. Thai,Dianne Rahm,Jerrell D. Coggburn,2017-09-25 Proponents of globalization argue that it protects the global environment from degradation and promotes worldwide sustainable economic growth while opponents argue the exact opposite Examining the local national and international impacts of globalization the *Handbook of Globalization and the Environment* explores strategies and solutions that support healthy economic growth protect the environment and create a more equitable world The book sets the stage with coverage of global environmental issues and policies It explores international sustainable development the evolution of global warming policy transborder air pollution desertification space and the global environment and human right to water Building on this foundation the editors discuss global environmental organizations and institutions with coverage of the UN s role in globalization the trade environment nexus the emergence of NGOs and an analysis of the state of global environmental knowledge and awareness from an international and comparative perspective Emphasizing the effects of increasingly integrated global economy on the environment and society the book examines environmental management and accountability It addresses green procurement provides an overview of U S environmental regulation and the current range of voluntary and mandatory pollution prevention mechanisms in use explores a two pronged approach to establishing a sustainable procurement model and examines a collaborative community based approach to environmental regulatory compliance The book concludes with an analysis of controversial issues such as eco terrorism North South disputes environmental justice the promotion of economic growth through globalization in less developed countries and the ability of scientists to communicate ideas so that policy makers can use science in decision making Regionalism and Globalization in East Asia Mark Beeson,2017-08-24 This book examines the distinctive evolution of the political and economic relationships of East Asia It does this by placing East Asian development in the unique historical circumstances that have underpinned its rise to power over the last few decades This detailed analysis provides the basis for an assessment of a unified East Asian region Popular Culture in Asia Lorna Fitzsimmons,John A. Lent,2013-05-07 Popular Culture in Asia consists studies of film music architecture television and computer mediated communication in China Japan South Korea Taiwan the Philippines Malaysia and Singapore addressing three topics urban modernities modernity celebrity and fan culture and memory and modernity *The Unraveling of Island Asia?* Bruce Vaughn,2002-04-30 This edited collection takes a primary focus on security issues in Oceania but here the word security is expanded to include such topics as domestic Indonesian and Philippine instability environmental degradation the work of international crime syndicates the generic problem of post colonial state failure and the always overhanging concern

with China in short all of the significant troubles roiling Island Asia today Using this expanded notion of security and stability the volume pulls in new anxieties about global warming which may submerge half of the South Pacific microstates within the next 30 years and pollution which covers Indonesia nad Malaysia in thick smoke now visible from space as well as traversing the more traditional security and economic issues Vaughn and his contributors describe a 7 000 mile swath of wobbly island states ranging from the world s fourth most populous country to tiny bogus sovereignties in thrall to globalized criminals through which more than 1 trillion worth of goods move each year An important resource for scholars students researchers and policy makers involved with Oceania and Asian studies as well as contemporary geo political concerns *An Asian Perspective on Mediation* Joel Lee,Hwee Hwee Teh,2009 The prevailing mediation model and process is drawn primarily from the West For a long time there has been a call for conflict management approaches that are more appropriate for the Asian context This book answers the call by identifying cultural values and norms that affect how conflicts may be perceived through Asian lenses and how conflict management processes and practices should be structured **Contemporary Asia** John McKay,2024-11-14 For the first time in the modern era Asia is not dominated by an outside power Is this the Asian Century Will internal rivalries emerge between China Japan and India How will growing tensions between the United States and China shape the global economic strategic and political system Covering governance culture and society in East and South Asia this book introduces Key economic developments including the Asian economic miracle and the 1997 8 Financial Crisis The central role of education and the contentious debate about Asian values The rapid expansion of military spending in the region The demography and geography of major nations and their forms of nationalism With further reading suggestions and discussion questions for every chapter this is essential introductory reading for students of Asian Studies and interested general readers alike **Globalization, Culture and Inequality in Asia** Timothy J. Scrase,Todd Joseph Miles Holden,Scott Baum,2003 Contemplating globalization from a sociological perspective it is without doubt that a major site for social political economic and cultural change in the new millennium lies in the Asian region The chapters in this book seek to describe and analyze a number of key aspects of social and cultural change wrought by globalization in the Asian region The underlying theme in the book is the multi dimensional way in which globalization in the form of ideas practices and technology have introduced social inequalities in specific contexts In particular the book examines how inequality has been reproduced challenged and theorized in Asia by the advent of globalizing culture Written by experienced and established scholars the study provides both theoretical explanation and discussion and analysis of empirical data from a range of social cultural and political economic perspectives and draws on studies from several countries in the region Reconfiguring Families in Contemporary Vietnam Magali Barbieri,Danièle Bélanger,2009-03-18 Reconfiguring Families in Contemporary Vietnam chronicles and analyzes the most significant change for families in Vietnam s recent past the transition to a market economy referred to as Doi Moi in Vietnamese and generally translated as the renovation Two decades

have passed since the wide ranging institutional transformations that took place reconfigured the ways families produce and reproduce The downsizing of the socialist welfare system and the return of the household as the unit of production and consumption redefined the boundaries between the public and private This volume is the first to offer a multidisciplinary perspective that sets its gaze exclusively on processes at work in the everyday lives of families and on the implications for gender and intergenerational relations By focusing on families this book shifts the spotlight from macro transformations of the renovation era orchestrated by those in power to micro level transformations experienced daily in households between husbands and wives parents and children grandparents and other family members **Journal of the Peking Oriental Society** Peking Oriental Society,1885 **Development and Security in Southeast Asia: Globalization** David Brian Dewitt,Carolina G. Hernandez,2003 This third volume of three accepts that globalization is both the context within which Southeast Asian countries must function and is a process which governments and businesses have embraced The focus of this text is on how the phenomenon of globalization has affected individuals well being and the community security *Asien* ,2003 **Southeast Asian Affairs 2001** Institute of Southeast Asian Studies,2001 Southeast Asian Affairs of which there are now twenty eight in the series is an annual review of significant developments and trends in the region Though the emphasis is on ASEAN countries developments in the broader Asia Pacific region are not ignored Readable and easily understood analyses are offered of major political economic social and strategic developments within Southeast Asia The contributions can be divided into two broad categories There are those which provide an analysis of major developments during 2000 in individual Southeast Asian countries and in the region generally Then there are the theme articles of a more specialized nature which deal with topical problems of concern This volume contains twenty three articles dealing with such major themes as international conflict and co operation political stability and economic growth and development *Gender, Sexuality, and Body Politics in Modern Asia* Michael G. Peletz,2007 South-East Asia Damien Kingsbury,2001 In addition to outlining the political processes and institutions of the countries in Southeast Asia this valuable volume traces their past and explains how they have transformed themselves into the countries they are today It is the perfect text for undergraduate and postgraduate students of Asian studies political science and history It is also the ideal book for all those desiring a better understanding of the intricate political society of Southeast Asia **Hemispheres** ,2004 *Proceedings of the American Antiquarian Society* American Antiquarian Society,1895 **Journal of the American Oriental Society** American Oriental Society,1885 List of members in each volume
