## Reaching Intimacy:

*The 40 Day Experiment Achieving Intimacy with God* Barbara Colacchia, 2019-02-13 No one is ever so far gone into a life of sin that God cannot redeem them Likewise no one is ever so intimate with God that there isn't room for more intimacy There is always more Communion and union with Christ is what we were born for yet we convince ourselves that we can only get to a certain level of intimacy and that's it These higher levels of communion with God are set aside for other people you know those real pious ones or just pastors or just That is the lie we believe We as believers are disciples of Jesus As disciples we are to imitate Jesus Jesus demonstrated what it looked like as a man to walk in constant communion with the Father This means that it is available to us all of us no matter who you are God wants to draw near to us but we need to do our part and draw near to Him This book demonstrates how faithful God is Intimacy with God deep intimacy is available to everyone At first it may seem difficult or even impossible but the truth is that it is a tactic of the enemy to convince us that we cannot have what God died to give us that is relationship and constant communion and union with Jesus Christ the Holy Spirit and God the Father It is all available to us It is a treasure that has been given to us through salvation that is to be fully utilized in this lifetime The intent of this book is to bring many into the kingdom as well as leading those that are already in Christ into a deeper more meaningful intimate relationship with Christ This book documents a forty day journey to achieving intimacy with God taking every thought captive and submitting to God It has been to date the most powerful forty days of my life The outcome of this experiment has changed my life and it will change yours too If you have been seeking a more intimate relationship with the God head or if you have been thinking of committing your life to Christ but are just not sure then this is the book for you
