Muslims, Christians, and Jesus Carl Medearis, 2008-09-01 Based on the author's twenty five years of first hand experience this engaging book reveals what Islam really teaches and how today's Muslims live and think With practical information and personal stories Carl Medearis shows readers how they can build life changing bridges between the world's two largest religions one person at a time whether in the US or elsewhere *American Christians and Islam* Thomas S. Kidd, 2018-06-05 In the wake of the September 11 terrorist attacks many of America's Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world's Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today's evangelicals have deep roots in American history Tracing Islam's role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation's founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals' fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians' anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America's immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals' unwillingness to acknowledge Islam's theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world *American Christians and Islam* is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today **Through the Eyes of Christ** Harry Morin, Nikki Arana, 2009-06-30 Are you concerned about the growing rise of Islam Do you feel powerless to stand against the tide because you do not have enough information Do you feel that the increasing population and influence of Muslims in the United States is a matter that is relevant to Christians *Through the Eyes of Christ* will give you step by step instructions drawn from Christ's example to respond to the rising Muslim population here in America You will learn how to minister and share the Gospel of Jesus Christ by using references to Jesus from the Muslim's holy book the Qur'an Koran and with the leading of the Holy Spirit pray with Muslims in the name of Jesus This startling and life changing information will empower you to bridge the chasm that separates us from the Muslims who live among us It is a scripturally supported call to action A call to live out our Christian faith and change the world Chrislam Jeff Morton, Joshua Lingel, Bill Nikides, 2012-07 This important study engages the question of how much one can should remain connected to one's Muslim heritage as that Muslim comes to embrace Christ What should we teach others to do in a

Muslim context how should we translate the Scripture for them so the message of the New Testament is clear On analogy with the Messianic movement the claim is that the ability exists to extensively keep both relationships This impacts translation practice It is a significant claim that needs careful assessment The emotional line between cultural sensitivity and syncretism is thin but the theological line between them is great One cultural sensitivity is important to maintain the other syncretism is crucial to avoid This study of insider movements will help you assess what is going on and help you begin to see the crucial difference It is well worth the time because it is a timely insightful book on an important topic Darrell L Bock Research Professor of New Testament Studies Dallas Theological Seminary The critical question concerning the so called insider approach to missions is not the pragmatic question of what works but the theological question of what is essential to the New Testament Gospel William Lane Craig Research Professor of Philosophy Talbot School of Theology The insider movement does not produce disciples of Jesus Christ but spiritual schizophrenics The insider movement is not inside Islam and it is not inside the Gospel It is in fact more an Islamic movement than Christian It is another form of Islam It is a perversion and disservice to Christ Those who have the interest of Muslims at heart should read this book again and again Moses Gbenu President Ministry of Eternal Affairs Nigeria Engaging Islamic Traditions Bernie Power,2016-04-19 The Hadith have long been neglected by Christians yet they may hold the key to reaching Muslims with the good news of Jesus Christ In this ground breaking book the earliest traditions of Islam are assessed from a biblical perspective Insights into the Islamic worldview and potential springboards to Christian truth are uncovered along the way For those contextualizing the gospel to Muslim friends and colleagues this book seeks for concord and connection with Muslim thinking while maintaining a clear commitment to Jesus Christ and his gospel *A Christian's Response to Islam* James L. Garlow,2002 In the Post 9 11 world how are Christians to respond to Muslims and the religion of Islam On September 11 2001 nineteen Islamic fundamentalist hijacked passenger jets and flew them into the World Trade Center towers in New York City and the Pentagon in Washington D C Since that fateful day millions of people living in the United States and other Western countries have begun asking a multitude of questions about Muslim and the Islamic faith With 1 4 billion Muslims in the world today and at least 7 million in America alone it s about time Maybe you have a few questions of your own A Christian s Response to Islam is an invaluable source for understanding Islamic growth and influence in the world todayThe basic tenets of the Islamic faithA brief overview of its history and its founder MohammedThe Islamic concept of Jihad holy war andHow Christians should respond and not respond to Muslims *Majority World Perspectives on Christian Mission* Nico A. Botha,Eugene Baron,2022-05-12 It affords us real pleasure to present this editorial on behalf of the Majority World Christian Leaders Conversation MWCLC The MWCLC started slowly but surely since 2016 following a groundbreaking conversation among eleven mission practitioners from the Majority World who met in the United Kingdom somewhere between London and Oxford At the meeting several themes emerged under the banner of missionary questions and impulses of the Majority World

from the perspective of the reign of God These themes and more find reflection in the book However before proceeding to the content of the anthology a note on the concept Majority World seems necessary The time where terms like Third World gained strong currency is long since gone The term Majority World is a new kid on the block and requires some clarification The use of the term is a strategy of avoiding concepts like Developing or Third World or even Global South which are pejorative in a real sense To speak of the Majority World is geographically accurate in that Africa Asia and Latin America are included

Dreams and Visions Tom Doyle,2012-09-03 What would you do if Jesus appeared to you in a dream and told you to follow Him What if these visions continued for over thirty days And what if you were Muslim Pastor Tom Doyle has spent eleven years as a full time missionary in the Middle East and Central Asia spreading the word of Jesus Christ Throughout his journey he has encountered a staggering number of Muslims who were first introduced to Jesus through a vision or dream so powerful that they eventually turned from their lifelong religion of Islam and embraced Christ as their Savior Despite living in a culture where converting to Christianity can result in execution these former Muslims have found hope peace and inspiration that comes from knowing Christ Their stories will amaze you Jesus is reaching out to Muslims and they are responding and Iran has the fastest growing Christian church in the world Dreams and Visions is a remarkable collection of stories directly from the world of Islam discussing the questions Why would God use dreams to reach the Muslim world Can dreams and visions be trusted What happens after these dreams or visions occur Travel to the heart of the Middle East to meet new believers who have truly been touched by Jesus in the most miraculous way through dreams

The Christian Witness to the Muslim John Gilchrist,2015-07-28 The emigration of millions of Muslims to the West since the end of the Second World War has presented the Church with a unique opportunity to evangelize Muslims at its traditional doorstep The task however requires a considerable degree of knowledge and wisdom as the field of Muslim evangelism is a special one which requires an informed approach The author has sought to provide Christians who seek to witness to the Muslims in their midst with the kind of knowledge they will require to be truly effective in the field This book serves as a companion volume to the author's first volume titled Muhammad and the Religion of Islam

Encountering the World of Islam Keith E. Swartley,2005 Encountering the World of Islam guides you on a journey into the lives of Muslims around the world and in your neighborhood Through this comprehensive collection you will learn about Muhammad and the history of Islam gain insight into today's conflicts and dispel western fears and myths You will also discover the frustrations and desires of Muslims and learn how to pray for and befriend them Encountering the World of Islam provides a positive balanced and biblical perspective on God's heart for Muslims and equips you to reach out to them in Christ's love Encountering the World of Islam features articles from eighty authors who have lived throughout the Muslim world from West Africa to Southeast Asia Experienced missionaries scholars of Islam and other well known authors including several Muslims contribute to this extensive ministry resource

Christian Literature for Muslims Ahmad von Denffer,Ataullah Siddiqui,1985 This annotated

bibliography is intended for Muslims who wish to be informed about the Christian missionaries approach to Islam The Gospel for Muslims Thabiti Anyabwile, 2018-01-02 How to meet a critical need sharing the gospel with Muslims There are over three million Muslims living in the United States today Soon if not already you will have Muslim neighbors and coworkers Does the thought of reaching out to them with the gospel make you nervous How can you effectively communicate the good news with such large theological differences The Gospel for Muslims can help make sharing your faith easier than you think Thabiti Anyabwile who is himself a convert from Islam to Christianity instructs you in ways to discuss the good news of Christ with your neighbors and friends The Gospel for Muslims allows you to focus on the people rather than the religious system Meant for the average Christian it is not an exhaustive apologetic or comparative study of Christianity and Islam Rather it compellingly stirs confidence in the gospel equipping you with the basics necessary to communicate clearly boldly and winsomely
