

THE LITERACY CRISIS

Reading Crisis

**Todd Alan Price, Morna McDermott
McNulty**

Reading Crisis:

The Reading Crisis Jeanne Sternlicht Chall, Vicki A. Jacobs, Luke E. Baldwin, 1990 Children from low income backgrounds often experience fourth year slump despite the fact that their cognitive abilities may be consistent with the norm This book examines the causes of this disparity and outlines an active role for the schools in remedying weaknesses in literacy development

Summer Reading Richard L. Allington, Anne McGill-Franzen, 2018-07-06 Summer reading loss accounts for roughly 80 percent of the rich poor reading achievement gap Yet far too little attention is given to this pressing problem This timely volume now offers not only a comprehensive review of what is known about summer reading loss but also provides reliable interventions and guidance Written by acknowledged experts and researchers on reading remedial reading and special education this collection describes multiple models of innovative summer reading and book distribution initiatives as well as research based guidelines for planning a successful summer reading program including tips on book selection distribution methods and direction for crucial follow up Most important the authors clearly show how schools and communities can see greater academic gains for students from low income families using the methods described in this book than they can from much more costly interventions

Public Spaces, Politics, and Policy Todd Alan Price, Morna McDermott McNulty, 2025-10-16 This book takes a deep dive into the historic sociopolitical and economic interests that have resulted in a frontal assault on the very governance of public education Recent decades have seen dramatic changes in the landscape of American public education including the closure of local schools elimination of teachers unions and local school board takeover attempts In order to explore the social and political motivations behind these changes the contributors address questions such as What tactics are being used to drive this paradigm shift where teachers are the enemy and schools are harming kids What events in this sociopolitical moment right now make it ripe for dismantling the democratic experiment of public education In an age of sound bites and instant news how can the nuanced and sometimes hypocritical narrative supporting public education compete for attention with the seductive political pablum of reactionary groups The voices in these chapters include those of curriculum theorists policy analysts education practitioners and leaders and parents all of whom engage in forms of activism at the local and or national level

Reading Researchers in Search of Common Ground Rona F. Flippo, 2012-03-22 In *Reading Researchers in Search of Common Ground* Second Edition Rona F. Flippo revisits her groundbreaking Expert Study in which she set out to find common ground among experts in the much fragmented field of reading research The original edition featuring contributions from participants in the Expert Study commentary from additional distinguished literacy scholars with specialized experiences and vantage points from which to view it and recommendations for use of its findings was published in 2001 and has become a classic in the field The Expert Study's findings and discussions related to it remain provocative viable and highly relevant Taking a fresh look at it and its current implications for literacy education and common ground in light of the newest thinking and research of today the

Second Edition includes four new chapters from leaders in the field who discuss the Study from their unique vantage points literacy trends emergent writing development a comprehensive literacy curriculum and a comparative analysis of the study s findings and recommendations It is a must read resource for the entire literacy community researchers teacher educators graduate students administrators practitioners and policymakers
