

Achieving competitive advantage through strategic human resource management.

- The strategic approach to human resource management includes:
 - assessing the organization's environment and mission;
 - formulating the organization's business strategy; assessing the human resources requirements based on the intended strategy;
 - comparing the current inventory of human resources in terms of numbers, characteristics, and human resource management practices with respect to the strategic requirements of the organization and its services or product lines;
 - formulating the human resource strategy based on the differences between the assessed requirements and the current inventory; and implementing the appropriate human resource practices to reinforce the strategy and attain competitive advantage.

Customer Service Management in Africa Robert Hinson, Ogechi Adeola, Terri Lituchy, Abednego Amartey, 2020-05-07 Customer Service Management in Africa A Strategic and Operational Perspective 978 0 367 14337 4 K410515 Customer Service is Changing The message of 34 authors featured in Customer Service Management in Africa A Strategic and Operational Perspective is clear Today s consumers are no longer passive audiences but active players that engage with businesses at each stage of product or service design and delivery systems Consumer demands and expectations are also increasingly being dictated by changing personal preferences enhanced access to information and expanding digital reality The customer service principles strategic and operational

advocated by these authors are universal but particularly compelling as they apply to Africa's unique and dynamic operating environment. In recognition of the importance of excellent customer service, this comprehensive and well-timed book provides an essential guide on the increasing role of the customer to business success. This book discusses the management and delivery of customer service under seven broad themes: Customer Service as Shared Value, Customer Service Strategy, Customer Service Systems, Customer Service Style, Customer Service Culture, Customer Service Skills, and Customer Experience. Advancing Customer Service in Africa. Central questions posed and addressed include: What is the new definition of customer service management? How should organisations position themselves to create value for customers and stakeholders? How should employees project themselves to align with customer service promises made by their organisations? Overall, this book provides strategic and operational insights into effective customer service management in Africa. The customer service management concepts, roles, and practices outlined, particularly as they apply to the African context, make it an important addition to scholars or practitioners' reference works.

Understanding Services Management William J. Glynn, James G. Barnes, 1995-11-09. A state-of-the-art services management guide. **Harvard Business School Core Collection, 1998**. Baker Library, 1998.
