Sesame Street Revisited:

Sesame Street Revisited Thomas D. Cook, 1975-09-26 In the course of its television lifetime Sesame Street has taught alphabet related skills to hundreds of thousands of preschool children But the program may have attracted more of its regular viewers from relatively affluent homes in which the parents were better educated Analyzing and reevaluating data drawn from several sources principally the Educational Testing Service's evaluations of Sesame Street the authors of this book open fresh lines of inquiry into how much economically disadvantaged children learned from viewing the series for six months and into whether the program is widening the gap that separates the academic achievement of disadvantaged preschoolers from that of their more affluent counterparts The authors define as acute dilemma currently facing educational policymakers what positive results are achieved when a large number of children learn some skills at a younger age if this absolute increase in knowledge is associated with an increase in the difference between social groups Fernsehen und Hörfunk für die Demokratie Wilfried Scharf, 2013-10-05 Die wichtigsten rundfunkpolitischen Problemstellungen bestimmen sich im Spannungsfeld zwischen Parteipolitisierung und Tendenzen zur Kommerzialisierung dieses Massenkommunikationsmittels Der Rundfunk ist nicht nur mit den Worten des Bundesverfassungsgerichts ein Medium sondern auch ein Faktor der öffentlichen Meinungsbildung Deshalb kann es nicht darum gehen die Parteien aus den Kontrollgremien des Rundfunks herauszuhalten denn die Parteien haben den grundgesetzlichen Auftrag an der politischen Willensbildung des Volkes mitzuwirken Aber die Parteien sind nicht die einzigen gesellschaftlich relevanten Kräfte die mit ihren Ansichten und Interessen im Rundfunkprogramm repräsentiert sein wollen und dadurch die öffentliche Meinungsbildung rundfunkpublizistisch zu beeinflussen suchen Den zunehmenden Privatisierungsbestrebungen und den Kommerzialisierungstendenzen wird der öffentlich rechtliche Rundfunk in der Bundesrepublik zugunsten der publizistischen Meinungsvielfalt nur standhalten können wenn die Programmverantwortlichen und Mitarbeiter nicht dem allfälligen Druck politischer Interessengruppen nachgeben verpflichtend ist für sie nicht dieser oder jener Parteistandpunkt oder sonstige Interessenstandpunkt einer bestimmten gesellschaftlich relevanten Gruppe sondern allein der demokratisch pluralistische Programmauftrag In diesem Sinne ist die folgende Aussage von Reinhard Appel bezeugend und auch bei den angesprochenen politischen Parteien hinaus von allgemeiner Gültigkeit Gewiss vertreten die Parteien einen grossen Teil der Interessen ihrer Wähler Aber sie repräsentieren doch nicht automatisch das Gemeinwohl Sie verfolgen häufig auch durch den Machtkampf bedingt Interessen die nicht unbedingt mit denen ihrer Wähler identisch sind Manches Wahlkampfthema wurde nur deshalb aufgegriffen weil man meinte damit besonders wirksam Wählerstimmen gewinnen zu können "Sesame Street" revisited, 1975 Viewers Like You Laurie Oullette, 2012-07-24 How public is public television if only a small percentage of the American people tune in on a regular basis When public television addresses viewers like you just who are you Despite the current of frustration with commercial television that runs through American life most TV viewers bypass the redemptive

oasis of the wasteland represented by PBS and turn to the sitcoms soap operas music videos game shows weekly dramas and popular news programs produced by the culture industries Viewers Like You traces the history of public broadcasting in the United States questions its priorities and argues that public TV's tendency to reject popular culture has undermined its capacity to serve the people it claims to represent Drawing from archival research and cultural theory the book shows that public television's perception of what the public needs is constrained by unquestioned cultural assumptions rooted in the politics of class gender and race

The Promise of Preschool Elizabeth Rose, 2010-03-17 The past 45 years have seen the emergence of education for young children as a national issue spurred by the initiation of the Head Start program in the 1960s efforts to create a child care system in the 1970s and the campaign to reform K 12 schooling in the 1980s Today the push to make preschool the beginning of public education for all children has gained support in many parts of the country and promises to put early education policy on the national agenda Yet questions still remain about the best ways to shape policy that will fulfill the promise of preschool In *The Promise of Preschool* Elizabeth Rose traces the history of decisions on early education made by presidents from Lyndon Johnson to George W Bush by other lawmakers and by experts advocates activists and others Using this historical context as a lens the book shows how the past shapes today's preschool debate and provides meaningful perspective on the policy questions that need to be addressed as we move forward Should we provide preschool to all children or just to the neediest Should it be run by public schools or incorporate private child care providers How do we most effectively ensure educational quality and success *The Promise of Preschool* is a balanced in depth investigation into these and other important questions and demonstrates how an understanding of the past can stimulate valuable debate about the care and education of young children today
