Humphrey Bancroft Neill

Set My Mule Free:

Enchanted Maidens James M. Taggart, 2021-03-09 Spanish villagers tell many folktales that describe in metaphorical language the struggles of young men and women as they emerge from their parental families and join in love In this book James Taggart presents dozens of orally transmitted tales including Snow White Cinderella Beauty and the Beast Blancaflor and dragonslayer stories collected from seven villages in the region of CNBceres and analyzes the differences in male and female approaches to telling them His study shows how men and women use the tales to grapple with some of the contradictions found in gender relations in their culture which conditions men to be sexually assertive and to marry virgins and which teaches women to fear the men who court them Taggart interprets the male female dialogue voiced through storytelling by linking the content of specific tales to the life experiences and gender of the storyteller Men and women he finds carry out an exchange of ideas by retelling the same stories and altering the plots and characters to express their respective views of courtship This indirect narrative dialogue conveys an understanding of the opposite sex and establishes a common model of marriage that permits men and women to overcome their fear of each other and bond in heterosexual love

The Race Underground Doug Most, 2014-02-04 In the late nineteenth century as cities like Boston and New York grew more congested the streets became clogged with plodding horse drawn carts When the great blizzard of 1888 crippled the entire northeast a solution had to be found Two brothers from one of the nation s great families Henry Melville Whitney of Boston and William Collins Whitney of New York pursued the dream of his city digging America s first subway and the great race was on The competition between Boston and New York played out in an era not unlike our own one of economic upheaval life changing innovations class warfare bitter political tensions and the question of America s place in the world The Race Underground is peopled with the famous like Boss Tweed Grover Cleveland and Thomas Edison and the not so famous from brilliant engineers to the countless sandhogs who shoveled hoisted and blasted their way into the earth s crust sometimes losing their lives in the construction of the tunnels Doug Most chronicles the science of the subway looks at the centuries of fears people overcame about traveling underground and tells a story as exciting as any ever ripped from the pages of U S history The Race Underground is a great American saga of two rival American cities their rich powerful and sometimes corrupt interests and an invention that changed the lives of millions **The Santa Fe Magazine** ,1927

Journal of the Franklin Institute ,1921 Vols 1 69 include more or less complete patent reports of the U S Patent Office for years 1825 1859 cf Index to v 1 120 of the Journal p 415 American Agriculturist ,1873 **The Bear and His Sons** James M. Taggart,1997 All the world over people tell stories to express their deepest feelings about such things as what makes a real man or woman what true love courage or any other virtue is what the proper relationships are between people Often groups of people widely separated by space or time will tell the same basic story but with differences in the details that reveal much about a particular group s worldview This book looks at differences in the telling of several common Hispanic

folktales James Taggart contrasts how two men a Spaniard and an Aztec speaking Mexican tell such tales as The Bear s Son He explores how their stories present different ways of being a man in their respective cultures Taggart s analysis contributes to a revision of Freud s theory of gender which was heavily grounded in biological determinism Taggart focuses instead on how fathers reproduce different forms of masculinity in their sons In particular he shows how fathers who care for their infant sons teach them a relational masculinity based on a connected view of human relationships Thus The Bear and His Sons will be important reading not only in anthropology and folklore but also in the growing field of men s studies

KATE DOUGLAS WIGGIN - Ultimate Collection: 21 Novels & 130+ Short Stories, Fairy Tales and Poems for Children (Illustrated) Kate Douglas Wiggin,2016-06-24 *The Golden Argosy* ,1886 *Subject Guide to Children's Books In Print, 1989-1990* R R Bowker Publishing,1989-10 *Otis: Giving Rise to the Modern City* Jason Goodwin,2001-07-18 Elisha Graves Otis invented the safe elevator almost by accident In doing so he made possible the construction of the skyscraper and laid the technical foundation for dynamic urban centers around the world **Subject Guide to Children's Books In Print, 1990-1991** R R Bowker Publishing,1990-09 **Time** Briton Hadden, Henry Robinson Luce,1932 *Camping in Crete* Aubyn Bernard Rochfort Trevor-Battye,1913 **The Americans** Daniel Joseph Boorstin,1973 Final volume in a trilogy the first of which is the author s *The Americans* the colonial experience and the second of which is his *The Americans* the national experience *AERA* ,1917 *The Americans: The national experience* Daniel Joseph Boorstin,1958 **The American Pageant** Thomas Andrew Bailey,1966 *Forty Eight Million Horses* Humphrey Bancroft Neill,1940 *Public Utilities Fortnightly* ,1930 **The Outlaw** Frederic Bean,1993 One of the best new breed western writers Rocky Mountain News Frederic Bean offers a blazing Texas tale about a soldier turned desperado sworn to seek vengeance upon his enemies In the aftermath of the Civil War Captain John Cross leads his dispirited cavalry unit home to Texas only to discover that scavenging carpetbaggers have seized his family farm
