**Porgy's Ghost** Harlan Greene, 2025-11-15 On the world stage the opera *Porgy and Bess* is acclaimed as a distinctively American yet universal classic Though scholars and the popular press have discussed it for nearly one hundred years no one has factored in the major contributions of one of its forgotten authors until now Besides serving as a brief biography that illuminates Dorothy Heyward's personal and professional life which ranges from lighthearted whimsy to a descent into madness what emerges in *Porgy's Ghost* is a correction to a long standing omission of Dorothy Heyward's influence on *Porgy* the novel written by her husband *Porgy* the play mostly her creation and *Porgy and Bess* the opera often credited solely to George and Ira Gershwin Fighting to restore her husband DuBose Heyward's name to that work she hid her own contributions to maximize his After years of research in her archives and previously unknown materials author Harlan Greene reveals a cypher of a woman who in her lifetime and long after was dismissed as unimportant *Baby No-eyes* Patricia Grace, 2002-07-07 This major novel merges contemporary headlines with stories of a heartfelt family history Do you hear the people calling No See there dummy you're nowhere near dead Well I don't believe you How would you know Of course I know I do I do I know all about it Tawera and his sister are inseparable in a relationship that is impossible for others to share In fact his whole whanau is bonded by secrets a genealogy stitched together by shame joy love and sometimes grief This is an account of the mysteries that operate at many levels between generations where the present is the pivot the centre of the spiral looking outward to the past and future that define it There's a way the older people have of telling a story a way where the beginning is not the beginning the end is not the end **Testimony** Mark Zarr, 2012-01-27 Have you ever been disappointed by the church Do you find yourself feeling as if you are on the outside looking in For many of us church religion and even God seem to be unattainable Whether we have been burned never truly accepted or lost in the sea of programs and church growth strategies we all sense that something is off Where is the Grace Love and Mercy that Christ came to share with us all Miraculous stories abound of lives that have been turned around But where is the proof of changed lives At some point shouldn't we see these transformations The truth is that God's grace is for everyone We have all fallen short but that is only the beginning of our story Only God's testimony is powerful enough to save us from ourselves Our story should not be told in words but should be lived and explored through our daily walk We should not merely talk about grace and mercy and love when we have been given the amazing gift by Christ's death and resurrection to show grace mercy and love Our real testimonies are defined not by who we were but by who we are willing to become **The People's Guide** Cline & McHaffie, 1874 *The Study of Ministry* Martyn Percy, Ian Markham, Emma Percy, Francesca Po, 2019-05-05 The Study of Ministry is a comprehensive guide to the theory and practice of ministry that attends to historical sources the social sciences pastoral theology ecclesiology and cultural studies The book argues for the study of ministry to be taken seriously as an aspect of ecclesiology and pastoral theology providing a stimulating resource both for practising ministers and for all those
