**Paul, Rabbi and Apostle** Pinchas Lapide, Peter Stuhlmacher, 1984  
Lapide (Peter), 1984 *The Rabbi from Tarsus* Dr. Phillip Goble, 1981 Imitating Jesus Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions *Zeitschrift für die neutestamentliche Wissenschaft und die Kunde des Urchristentums*, 1998 **Rabbi Paul** Bruce Chilton, 2010-06-09 A brilliant new biography of Saint Paul whose interpretations of the life and teachings of Jesus transformed a loosely organized grassroots peasant movement into the structured religion we know today Without Paul there would be no Christianity His letters to various churches scattered throughout the Roman Empire articulated for the first time the beliefs that make up the heart of Christian practice and faith In this extraordinary biography Bruce Chilton explains the changing images of Paul from the early Church period when he was regarded as the premiere apostle who separated Christianity from Judaism to more recent liberal evaluations which paint him as an antifeminist homophobic figure more dedicated to doctrine than to spiritual freedom By illuminating Paul's thoughts and contributions within the context of his time Chilton restores him to his place as the founding architect of the Church and one of the most important figures in Western history Rabbi Paul is at once a compelling highly readable biography and a window on how Jesus message was transformed into a religion embraced by millions around the world Drawing on Paul's own writings as well as historical and scholarly documents about his life and times Chilton portrays an all too human saint who helped to create both the most beautiful and the most troublesome aspects of the Church He shows that Paul sought to specify the correct approach to such central concerns as sexuality obedience faith conscience and spirit to define religion as an institution and to clarify the nature of the religious personality issues that Christians still struggle with today **Die Heimholung des Ketzers** Stefan Meissner, 1996 Originally presented as the author's thesis Universität at Heidelberg 1994 The Hebrew Christian witness [afterw.] Hebrew Christian witness and prophetic investigator, 1873 **Text and Task** Michael Parsons, 2012-06-12 Practical scriptural and contemporary Text and Task is a series of essays on Scripture and mission It aims to show the significance of reading the biblical text appropriately and with faithful engagement for our theology and missiology A team of biblical scholars suggests ways forward in areas such as the implicit missional narrative of David and Goliath the story of Solomon and his Temple building the genre of lament the

explicit gracious message of the prophet Isaiah Paul's understanding of divine call and gospel and the place of mission as a hermeneutic for reading the Bible Theological chapters engage the issues of the Trinity and the unevangelized the missional dimensions of Barth's view of election the gospel's loss of plausibility in the modern West the place of preaching in mission and the idea of belonging to a church community before one believes the gospel Drawing together scholars from the fields of biblical studies theology sociology and homiletics Text and Task relates critically engaged textual reading to contemporary ongoing Christian life thought and mission

Focusing on the role of the Jewish believers in the first five centuries C E this important study re-examines some of the most foundational questions for our understanding of the formation of the early church Who were the Jewish believers and how did they understand themselves in relation to the Gentile believers and the Jewish community Was the border area they occupied between Jew and Gentile a hospitable and welcoming one or was it one in which two incompatible identities clashed The essays in this volume question the traditional paradigm that saw an early parting of the ways between Judaism and Christianity and suggests instead that some Jewish believers in Jesus stayed closely integrated with the Jewish community even while their theology differed
