**Raymond Carver**

## Raymond Carver:

**Raymond Carver: Eine Studie zum 'minimalen' Wandel in der Grundstimmung seiner Kurzgeschichten ab "Cathedral"** Michael Reichmann, 2005-05-31 Studienarbeit aus dem Jahr 2005 im Fachbereich Amerikanistik Literatur Note 1,3 Universität Hamburg IAA Veranstaltung Postmoderne Neorealismus II Hauptseminar Sprache Deutsch Abstract Anhand der Geschichtensammlung Cathedral 1983 lässt sich recht gut zeigen welchen Wandel Carvers Geschichten insbesondere im Vergleich zu seinem vorigen Buch What We Talk About When We Talk About Love 1981 durchgemacht haben Im späteren Band Cathedral sind sowohl Geschichten die den vertrauten und distanten Charakter der früheren Kurzgeschichten beibehalten als auch solche die sozusagen ein neues positiveres Format aufweisen das es gilt zu untersuchen Mit Cathedral hat Carver meines Erachtens eine stilistische Bandbreite erreicht die weit über den Minimalismus früherer Tage hinausgeht Diese Arbeit ist zweigeteilt Sie wird zunächst die Stimmung der Carver Geschichten generell analysieren und auf die Lebenssituation der Charaktere zurückschließen wobei die Geschichte Preservation näher beleuchtet werden soll welche ich als exemplarisch für den distanten Ton und die Passivität der Charaktere in Carvers Geschichten ansehe Im zweiten Teil wird besagter Wandel Carvers anhand der beiden inhaltsverwandten Geschichten The Bath und A Small Good Thing die aus unterschiedlichen Schaffensperioden Carvers stammen näher beleuchtet Den Anspruch einer in depth Analyse der genannten Fragestellung kann diese Arbeit nicht erheben da dies den Rahmen sprengen würde An vielen Stellen kann deswegen bedauerlicherweise nur an der Oberfläche gekratzt werden Jedoch ist dieses Thema so ergiebig dass auch eine unvollständige Analyse wie die gegenwärtige bereits zu interessanten Ergebnissen führen wird und eventuell Anstoß für weitere Analysen in diese Richtung geben kann *The stories of Raymond Carver* Raymond Carver, 1982 **Raymond Carver** Sam Halpert, 1995-04 A collection of Lawrence and Lee's major plays Inherit the Wind Auntie Mame The Gang's All Here Only in America A Call on Kuprin Diamond Orchid The Night Thoreau Spent in Jail and First Monday in October Introductions to each play place them in their critical and historical contexts Includes bandw photos and a chronology No index Annotation copyright by Book News Inc Portland OR Conversations with Raymond Carver Raymond Carver, 1990 The twenty five interviews gathered here several available in English for the first time include craft interviews biographical portraits self analyses wide ranging reflections on the current literary scene **Raymond Carver und der Neue Realismus**, 1996 A Study Guide for Raymond Carver's "What We Talk About When We Talk About Love" Gale, Cengage Learning, An Interview with Raymond Carver Raymond Carver, Larry McCaffery, Sinda Gregory, Raymond Carver's Short Fiction in the History of Black Humor Jingqiong Zhou, 2006 This first book length study on the black humor in Raymond Carver's work includes valuable interpretations of Carver's aesthetics as well as the psycho social implications of his short fiction The presence of an indeterminate menace in the oppressive situations of black humor in Carver as compared to a European tradition of existentialist writing and his American predecessors including Twain Heller Barth and others is mitigated

through humor so it is not dominant As a result a subtle promise emerges in the characters lives     A Study Guide for Raymond Carver's "Popular Mechanics" Gale, Cengage Learning, A Study Guide for Raymond Carver s Popular Mechanics excerpted from Gale s acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs     **Carver Country** Raymond Carver,1990

Raymond Carver has become a literary icon for our time When he died in 1988 at the age of fifty he was acclaimed as the greatest influence on the American short story since Hemingway Carver s friends were the stuff of legend as well In this rich collection greatly expanded from the earlier When We Talk about Raymond Carver of interviews with close companions acquaintances and family Sam Halpert has chronologically arranged the reminiscences of Carver s adult life recalling his difficult Bad Raymond days through his second life as a recovering alcoholic and triumphantly successful writer Some of America s most distinguished writers remember Raymond Carver in these pages including Richard Ford Leonard Michaels Scott Turow Tobias Wolff Geoffrey Wolff Chuck Kinder William Kittredge Stephen Dobyns Douglas Unger Dick Day John Leggett Donald Justice Jay McInerney and Robert Stone His first wife Maryann Carver and their daughter Chris Carver also contribute their recollections of his early efforts to become a writer while struggling with poverty and alcoholism

*Raymond Carver* Carol Sklenicka,2009-11-24 The first biography of america s best known short story writer of the late twentieth century The London Times called Raymond Carver the American Chekhov The beloved mischievous but more modest short story writer and poet thought of himself as a lucky man whose renunciation of alcohol allowed him to live ten years longer than I or anyone expected In that last decade Carver became the leading figure in a resurgence of the short story Readers embraced his precise sad often funny and poignant tales of ordinary people and their troubles poverty drunkenness embittered marriages difficulties brought on by neglect rather than intent Since Carver died in 1988 at age fifty his legacy has been mythologized by admirers and tainted by controversy over a zealous editor s shaping of his first two story collections Carol Sklenicka penetrates the myths and controversies Her decade long search of archives across the United States and her extensive interviews with Carver s relatives friends and colleagues have enabled her to write the definitive story of the iconic literary figure Laced with the voices of people who knew Carver intimately her biography offers a fresh appreciation of his work and an unbiased vivid portrait of the writer     When We Talk about Raymond Carver Sam

Halpert,1992      *Raymond Carver* Ewing Campbell,1992 Perhaps the most significant and influential figure in this century's wave of American realism Raymond Carver 1938 1988 is credited not only with reviving the short story as an artistically legitimate form but also with perfecting minimalist fiction His 1981 collection *What We Talk about When We Talk about Love* remains the standard against which minimalist literature is measured and his numerous prize winning and frequently anthologized stories have established him as the extender of a modernist tradition stretching from Chekhov through Joyce and Hemingway In his later collections such as *Cathedral* 1983 and *Where I'm Calling From* 1988 Carver surpasses even his own great achievement setting a bold new path for his short fiction and intensifying the scholarly attention he'd first inspired with *Will You Please Be Quiet Please* anthologized in *Best American Short Stories* of 1967 Moving chronologically through Carver's complete short fiction canon and examining key stories in depth Ewing Campbell traces the author's development through and beyond literary minimalism into the tradition of tragic allegory He explores Carver's persistent use of myth and archetype motifs of the grotesque religious iconography and oppressed spiritually paralyzed characters From the earliest stories through the latest Campbell illuminates Carver's constant fascination with the way individuals connect or fail to connect with one another
