C Cleary

Reading Cusanus Metaphor And Dialectic In A Conjectural Universe:

Reading Cusanus Clyde Lee Miller, 2003 Each of the readings reveals how Nicholas project of learned ignorance is played out in striking metaphors for God and the relation of God to creation BOOK JACKET Mystical Theology and Platonism in the Time of Cusanus Jason Aleksander, Sean Hannan, Joshua Hollmann, Michael Moore, 2023-10-20 Mystical Theology and Platonism in the Time of Cusanus engages with the history of mystical theology and Neoplatonic philosophy through the lens of the 15th century philosopher and theologian Nicholas of Cusa The volume comprises nineteen essays that break down the barriers between medieval and Renaissance studies reinterpreting Cusanus place in the history of thought by exploring the archive that informed his thinking while also interrogating his works by exploring them from the standpoint of their later reception by modern philosophers and theologians The volume also offers tribute to the career of Donald F Duclow a leading scholar in the field of Cusanus studies in particular and of the history of mystical theology and Neoplatonic philosophy more generally *Nicolaus Cusanus: Der Laie über den Geist / Idiota de mente* Isabelle Mandrella, 2021-08-23 In den Mittelpunkt der Schrift stellt Nicolaus Cusanus die Figur eines Laien idiota der als Gegenpol zum universitär ausgebildeten Philosophen den einfachen Ungebildeten und damit die wahre Weisheit repräsentiert die dem Geist des Menschen und seinen Potentialen entspricht Statt auf Bücherwissen und Autoritäten setzt er auf das eigene Philosophieren das immer neu nach der Wahrheit fragt Der Laie verkörpert die cusanische Philosophie in besonderem Maße Fundamentale anthropologische erkenntnistheoretische und metaphysische Bestimmungen des Cusanus finden sich hier in einer Gestalt vereint Aus dem Wissen heraus dass menschliches Erkennen immer nur mutmaßend sein kann geht es um das rechte kritische Verhältnis zu den eigenen Erkenntnismöglichkeiten An der Figur des Laien macht Cusanus deutlich dass dies keineswegs in einen erkenntnistheoretischen Skeptizismus führt der die Möglichkeit sicheren Wissens von vornherein für nicht erreichbar und infolgedessen alle Erkenntnisbestrebungen für verflüssigt sondern dass darin das unendliche und dynamische Potential des Menschen zum Ausdruck kommt sich unermüdlich an die Wahrheit anzunähern In der Geschichte der Erkenntnistheorie vor Kant spielt Der Laie über den Geist somit eine fundamentale Rolle **Bildfelder** Karin Leonhard, 2013-12-20 Die niederländische Stillebenmalerei des 17. Jahrhunderts nahm aktiv an den naturphilosophischen und naturwissenschaftlichen Diskursen der Zeit teil dennoch wird sie in der Forschung bis heute vereinfachend als realistisch abbildende Kunst bezeichnet Hier ist eine Rehabilitierung des Begriffs Mimesis dringend notwendig geworden Die Autorin unternimmt einen Neustart der Diskussion der stärker auf die historische Diskussion des Natur und Bildbegriffs zurückgreift So fragt sie inwiefern im 17. Jahrhundert mimetische Strukturen als ein biotisches Vermögen zur Reproduktion verstanden wurden Dabei ergeben sich zwei Thesen erstens dass das Stilleben die beiderseitige Fügigkeit von Natur und Kunst thematisiert Ähnlichkeiten zu erzeugen und zweitens dass es aus diesem Grund prädestiniert ist für eine Theoretisierung mimetischer Strukturen der Kunst im Allgemeinen Introducing Nicholas of Cusa Bellitto, Christopher M., Izbicki, Thomas

M., Christianson, Gerald, 2004 A primer on the the vocabulary ideas and works of this leading Renaissance thinker of the fifteenth century who wrote on everything from papal politics to astronomy to interreligious dialogue *Reading Cusanus*

Clyde Lee Miller, 2003 Each of the readings reveals how Nicholas project of learned ignorance is played out in striking metaphors for God and the relation of God to creation BOOK JACKET *Signs in the Dust* Nathan Lyons, 2019-02-28 Modern thought is characterized by a dichotomy of meaningful culture and unmeaning nature Signs in the Dust uses medieval semiotics to develop a new theory of nature and culture that resists this familiar picture of things Through readings of Thomas Aquinas Nicholas of Cusa and John Poinsett John of St Thomas it offers a semiotic analysis of human culture in both its anthropological breadth as an enterprise of creaturely sign making and its theological height as a finite participation in the Trinity which can be understood as an absolute cultural nature Signs in the Dust then extends this account of human culture backwards into the natural depth of biological and physical nature It puts the biosemiotics of its medieval sources along with Felix Ravaisson's philosophy of habit into dialogue with the Extended Evolutionary Synthesis that is emerging in contemporary biology to show how all living things participate in semiosis so that that a cultural dimension is present through the whole order of nature and the whole of natural history It also retrieves Aquinas doctrine of intentions in the medium to show how signification can be attributed in a diminished way to even inanimate nature with the ontological implication that being as such should be reconceived in semiotic terms The phenomena of human culture are therefore to be understood not as breaks with a meaningless nature but instead as heightenings and deepenings of natural movements of meaning that long precede and far exceed us Against the modern divorce of nature and culture Signs in the Dust argues that culture is natural and nature is cultural through and through *Kontingenzt, Berührung, Überschreitung* Johannes Hoff, 2007 **Ineffabilis in the thought of Nicolas of Cusa** Prasad Joseph Nellivilathekkathil Theruvathu, 2010

Comprehending the incomprehensible and expressing the inexpressible was a life task for Nicolas of Cusa a tireless seeker of truth and hunter of wisdom The perennial philosophical questions of knowing and expressing are central in Cusanus thought In Cusanus philosophical and theological works one can find a peculiar coincidence between comprehension and incomprehension effability and ineffability Cusanus leads a seeker of truth from knowledge to learned ignorance and from speaking into divine silence In this book the author investigates Cusanus concept of ineffabilis the possibilities and the limits of human knowledge and language and the necessity and the impossibility of naming something precisely Cusanus philosophy of ineffabilis is applied to the intercultural philosophy especially to the field of dialogue between cultures and religions Practical rules and conclusions are drawn for a successful dialogue between people of different cultures and religions for the cause of unity and peace *The Review of Metaphysics*, 2005 **The Journal of Ecclesiastical History**

Clifford William Dugmore, 2004 **The Journal of Medieval and Early Modern Studies**, 2002 *Theological Studies*

William James McGarry, John Courtney Murray, 2004 **Explorations in Renaissance Culture**, 2008 *Mediaevalia*

,2012 **The Presence of God: The presence of God : a history of western christian mysticism** Bernard McGinn,1991
