## **Reading Dont Fix No Chevys:**

**Reading Don't Fix No Chevys** Michael William Smith, Jeffrey D. Wilhelm, 2002 The problems of boys in schools especially in reading and writing have been the focus of statistical data but rarely does research point out how literacy educators can combat those problems That situation has changed Michael Smith and Jeff Wilhelm two of the most respected names in English education and in the teaching of reading worked with a very diverse group of young men to understand how they use literacy and what conditions promote it In this book they share what they have learned Through a variety of creative research methods and an extended series of interviews with 49 young men in middle and high school who differ in class race academic achievement kind of school and geography the authors identified the factors that motivated these young men to become accomplished in the activities they most enjoyed factors that marked the boys literate activities outside of school but were largely absent from their literate lives in school Their study questions the way reading and literature are typically taught and suggests powerful alternatives to traditional instruction Building their findings on their understanding of the powerful and engaging experiences boys had outside of school Smith and Wilhelm discuss why boys embrace or reject certain ways of being literate how boys read and engage with different kinds of texts and what qualities of texts appeal to boys Throughout the authors highlight the importance of choice the boys need to be shown how to read the cost of the traditional teaching of difficult canonical texts and the crucial place of meaningful social activity The authors data driven findings are provocative explaining why boys reject much of school literacy and how progressive curricula and instruction might help boys engage with literacy and all learning in more productive ways Providing both challenges and practical advice for overcoming those challenges Smith and Wilhelm have produced a book that will appeal to teachers teacher educators and parents alike Horizonte verschmelzen Hans Richard Brittnacher, 2007 Reading Without Limits Maddie

Witter, 2013-01-07 Imagine a classroom where all students are engaged in highly rigorous and fun learning every single day That classroom can be yours starting tomorrow You don't have to be a reading specialist to pick up this book Anyone who wants to dramatically improve reading achievement will find helpful suggestions You might be a third grade teacher whose students have mastered decoding and you are ready to build their comprehension Or you might be a high school science teacher whose students aren't yet reading on level with deep critical thinking This book is for you It doesn't matter whether you are a public charter private or alternative education teacher the Reading Without Limits program works in each one Along with hundreds of ready to use teaching strategies Reading Without Limits comes with a supplemental website where teachers can download even more resources for free Reading Without Limits is the first book offered in the KIPP Educator Series KIPP or the Knowledge is Power Program began in 1994 As of Fall 2012 there are 125 KIPP schools in 20 states and the District of Columbia serving nearly 40 000 students climbing the mountain to and through college *Children's Learning in a Digital World* Teena Willoughby, Eileen Wood, 2008-04-30 Children's Learning in a Digital World presents
