The A to Z of Taoism Julian F. Pas,2006-01-13 Taoism the set of philosophical teachings and religious practices rooted in the understanding of the Chinese character Tao or The Way was founded by the Chinese philosopher Laozi in the 6th Century BCE whose work the Tao Te Ching The Book of the Way and its Virtue laid the philosophical foundation for the religion s beliefs This volume starts as it should with a detailed chronology of Taoism and its relationship both to China and other teachings The introduction inserts it further in this basic context Then the dictionary section consisting of several hundred cross referenced entries provides a more detailed treatment of significant persons nonpersons gods and demons concepts practices rituals scriptures and schools The bibliography suggests further reading

The Story of Han Xiangzi Erzeng Yang,2011-07-01 In this seventeenth century Chinese novel Han Xiangzi best known as one of the Eight Immortals seeks and achieves immortality and then devotes himself to converting his materialistic politically ambitious Confucian uncle Han Yu a real historical figure to Daoism Written in lively vernacular prose interspersed with poems and songs the novel takes its readers across China to the heavens and into the underworld Readers listen to debates among Confucians Daoists and Buddhists and witness trials of faith and the performance of magical feats In the mode of the famous religious novel Journey to the West The Story of Han Xiangzi uses colorful characters twists of plot witty dialogue and action suitable for a superhero comic book to convey its religious message that worldly life is ephemeral and that true contentment can be found only through Daoist cultivation This is the first translation into any Western language

of Han Xiangzi quanzhuan literally The Complete Story of Han Xiangzi On one level the novel is a delightful adventure on another it is serious theology Although The Story of Han Xiangzi s irreverent attitude toward the Confucian establishment prevented its acceptance by literary critics in imperial China it has remained popular among Chinese readers for four centuries Philip Clart s introduction outlines the Han Xiangzi story cycle presents Yang Erzeng in his social context assesses the literary merits and religious significance of the text and explores the theory and practice of inner alchemy This unabridged translation will appeal to students of Chinese literature and to general readers who enjoy international fiction as well as to readers with an interest in Daoism The open access publication of this book was made possible by a grant from the James P Geiss and Margaret Y Hsu Foundation
