

# **NOTHING GOLD CAN STAY**

**BY ROBERT FROST**

Nature's first green is gold,  
Her hardest hue to hold.  
Her early leaf's a flower;  
But only so an hour.  
Then leaf subsides to leaf.  
So Eden sank to grief,  
So dawn goes down to day.  
Nothing gold can stay.

Capitalscapes Matthew Philip McKelway, 2006-02-28 Following the destruction of Kyoto during the civil wars of the late fifteenth century large scale panoramic paintings of the city began to emerge These enormous and intricately detailed depictions of the ancient imperial capital were unprecedented in the history of Japanese painting and remain unmatched as representations of urban life in any artistic tradition Capitalscapes the first book length study of the Kyoto screens examines their inception in the sixteenth to early seventeenth centuries focusing on the political motivations that sparked their creation Close readings of the Kyoto screens reveal that they were initially commissioned by or for members of the Ashikaga shogunate and that urban panoramas reflecting the interests of both prevailing and moribund political elites were created to underscore the legitimacy of the newly ascendant Tokugawa regime Matthew McKelway s analysis of the screens exposes their creators masterful exploitation of ostensibly accurate depictions to convey politically biased images of Japan s capital His overarching methodology combines a historical approach which considers the paintings in light of contemporary reports diaries chronicles ritual accounts with a thematic one isolating individual motifs deciphering their visual language and comparing them with depictions in other works McKelway s combined approach allows him to argue that

the Kyoto screens were conceived and perpetuated as a painting genre that conveyed specific political meanings to viewers even as it provided textured details of city life Students and scholars of Japanese art will find this lavishly illustrated work especially valuable for its insights into the cityscape painting genre while those interested in urban and political history will appreciate its bold exploration of Kyoto's past and the city's late medieval martial elite The world of early Chicano poetry, 1846-1910: California poetry, 1855-1881 Luis A. Torres, 1994 *The Legacies of Caribbean Radical Politics* Shalini Puri, 2013-09-13 The year 2009 marked the 50th anniversary of the Cuban Revolution and the thirtieth anniversary of the Grenadian and Nicaraguan Revolutions and as such offered an occasion to assess the complex legacies of revolutionary politics in the Caribbean This volume considers what we might learn from such revolutionary projects and their afterlives from their successes and their errors It explores what struggles currently underway in the Caribbean share with these earlier and longer revolutionary traditions and how they depart from them It analyzes radical movements in Jamaica Grenada Cuba Venezuela Guadeloupe Suriname and Guyana not only in their national dimensions but in terms of their regional linkages and mutual influences The chapters are drawn from various disciplines and a range of democratic leftist projects They consider not only state and party politics but also civil society cultural politics and artistic production strikes and grassroots activism This book was published as a special issue of Interventions International Journal of Postcolonial Studies **An Invitation to Public Relations (seventy-one Percent Said Weasel)** Simon Moore, 1996 Explores the historical roots of public relations and its place in society It sets out the common and the more surprising tools of the trade and critically surveys the ways in which those tools are used and abused It addresses the ethical problems faced by public relations practitioners as well as their capacity to liberate and activate formerly silent groups in society It reviews the effects which the advances in communications technology are having by creating a new environment for the new generation of public relations practitioners **Catalogue ... 1895** Levi Heywood Memorial Library, Gardner, Mass, 1895 **The Poetry of the Talmud** S.
