All the Lives I Want Alana Massey, 2017-02-07 Alana Massey s prose is to brutal honesty

what a mandolin is to a butter knife she's sharper she slices thinner she shows the cross section of a truth so deftly so powerfully and cannily it's hard to look away and hard not to feel that something has shifted in you for having read her Leslie Jamison New York Times bestselling author of *The Empathy Exams* From columnist and critic Alana Massey a collection of essays examining the intersection of the personal with pop culture through the lives of pivotal female figures from Sylvia Plath to Britney Spears in the spirit of Chuck Klosterman with the heart of a true fan *Mixing* Didion's affected cool with moments of giddy celebrity worship Massey examines the lives of the women who reflect our greatest aspirations and darkest fears back onto us These essays are personal without being confessional and clever in a way that invites readers into the joke A cultural critique and a finely wrought fan letter interwoven with stories that are achingly personal *All the Lives I Want* is also an exploration of mental illness the sex industry and the dangers of loving too hard But it is above all a paean to the celebrities who have shaped a generation of women from Scarlett Johansson to Amber Rose Lil Kim Anjelica Huston Lana Del Rey Anna Nicole Smith and many more These reflections aim to reimagine these women's legacies and in the process teach us new ways of forgiving ourselves

Enterprising Initiatives in the Experience Economy Britta Timm Knudsen, Dorthe Refslund Christensen, Per Blenker, 2014-09-19 Over the last decade the close relationship between culture and economy or the experience economy has risen on the agenda Although there is an established research field for analysing the economic impact of entrepreneurship there is currently a limited amount of research that analyses the cultural impact and opportunity of entrepreneurship Linking experience economy with enterprising behavior moves the term away from businesses competitiveness and consumer behavior towards a more value focused business in general This ground breaking book integrates entrepreneurship and empowerment into one central theme drawing on research from both the social sciences innovation entrepreneurship empowerment and activism and the humanities participatory culture user generated designs creative networks *Enterprising Initiatives* expands the definition of entrepreneurship beyond a primarily economic profit seeking phenomenon to a broader understanding of enterprising behaviour based on an individual opportunity nexus Beyond social entrepreneurship it explores a broad range of individual collective and cooperative citizen initiatives under the umbrella of enterprising action This innovative approach will be of great interest to scholars in entrepreneurship social entrepreneurship cultural entrepreneurship cultural studies and consumer culture as well as for policy makers in public and local government regional development and cultural event management

The AI Marketing Canvas Raj Venkatesan, Jim Lecinski, 2021-05-18 This book offers a direct actionable plan CMOs can use to map out initiatives that are properly sequenced and designed for success regardless of where their marketing organization is in the process The authors pose the following critical questions to marketers 1 How should modern marketers be thinking about artificial intelligence and machine learning and 2 How should marketers be developing a strategy and plan to implement AI into their marketing toolkit The opening chapters provide marketing leaders with an overview of what exactly AI is and how is it different than traditional

computer science approaches Venkatesan and Lecinski then propose a best practice five stage framework for implementing what they term the AI Marketing Canvas Their approach is based on research and interviews they conducted with leading marketers and offers many tangible examples of what brands are doing at each stage of the AI Marketing Canvas By way of guidance Venkatesan and Lecinski provide examples of brands including Google Lyft Ancestry com and Coca Cola that have successfully woven AI into their marketing strategies The book concludes with a discussion of important implications for marketing leaders for your team and culture
