Rankings and the Reshaping of Higher Education Ellen Hazelkorn, 2015-03-23 University rankings have gained popularity around the world and are now a significant factor shaping reputation This second edition updates Ellen Hazelkorn's first comprehensive study of rankings from a global perspective drawing in new original research and extensive analysis It is essential reading for policymakers managers and scholars *The College Completion Glass—Half-Full or Half-Empty?* Tiffany Beth Mfume, 2018-12-21 Despite the Great Recession and looming student loan debt crisis college education remains the most proven invaluable lifetime investment and serves as the most reliable path to upward mobility and socioeconomic class reassignment Mfume suggests that the value added of even one year of college can be transformative As higher education professionals and partners continue to advocate for new and improved college retention and graduation measures The College Completion Glass Half Full or Half Empty Exploring the Value of Postsecondary Education presents a new paradigm for higher education one that focuses on the value added of postsecondary education as well as on student success beyond the traditional measure of college graduation rates a model which merges conventional practices and supports for students with non traditional partnerships with and advocacy from successful non completers Evaluating and Responding to College Guidebooks and Rankings R. Dan Walleri, Marsha K. Moss, 1995-12-27 The proliferation of college guidebooks and reputational rankings has become of increasing concern to many in the higher education community Public relations and admissions staff view such publications from a marketing perspective and the potential positive or negative consequences for enrollment College presidents share these concerns along with the broader implications for the overall stature of their institutions The validity and integrity of the information reported is of particular interest to those who work in the area of institutional research Acknowledging the fact that the public the consumers has a great need for information about different institutions in order to make informed college choices for themselves or their children all of these groups in higher education share alarm about the burden imposed on institutions in responding to the ever increasing number of publishers requesting information for these guidebooks and rankings This volume explores some of the major facets of and issues surrounding college guidebooks and ratings The background and development of these publications are traced followed by discussion of major issues and perspectives consumer use of the publications validity of ratings and the institutional burden of supplying the needed information View from both the institutions and the publishers are presented This is the 88th issue of the quarterly journal New Directions for Institutional Research For more information on the series please see the Journals and Periodicals page **Angriff der Algorithmen** Cathy O'Neil, 2017-08-21 Algorithmen nehmen Einfluss auf unser Leben Von ihnen h ngt es ab ob man etwa einen Kredit f r sein Haus erh lt und wie viel man f r die Krankenversicherung bezahlt Cathy O'Neil ehemalige Hedgefonds Managerin und heute Big Data Whistleblowerin erkl rt wie Algorithmen in der Theorie objektive Entscheidungen erm glichen im wirklichen Leben aber m chtigen Interessen folgen Algorithmen nehmen Einfluss

auf die Politik geführten freien Wahlen und manipulieren über soziale Netzwerke sogar die Demokratie. Cathy O'Neil's dringlicher Appell zeigt wie sie Diskriminierung und Ungleichheit verstärken und so zu Waffen werden die das Fundament unserer Gesellschaft erschüttern. *Between Mission and Market* Daniel Rosenberg, 2017-04-26 *Between Mission and Market* The Freshman Year in a Corporate Age focuses on the arrival of college freshmen at the moment of the transformation it uses Adelphi University in suburban New York City to study an attempt to resolve first year difficulties. As higher education institutions turn into enterprises run on business models the pressures of getting into college including the taking of the SAT and ACT have induced stress addictions eating disorders drug use and mental problems. However special programs to ease the first year transition through counseling and support are run as cheaply as possible. This book confronts some of the cardinal controversies in higher education particularly those affecting first year students high stakes testing in general particularly the SAT the intensification of student debt and the financial sentence imposed upon all who incur it and the dramatic pressures placed upon freshmen as they transition to college. *The Parent-School Board Feuds* Gerard Giordano, 2024-10-02 During the COVID 19 pandemic parents were able to observe their children in online classes. They were surprised by classroom discussions and assignments related to gender race ethnicity and religion along with the policies that were guiding curricula tests technology athletics discipline safety transportation funding and numerous other aspects of schools. Parents began giving their advice to their school boards but when they were ignored they disrupted meetings wrote editorials created blogs staged rallies and lobbied state officials. They were hoping to attract media attention and acquire political power and were stunned by their success. *The Parent School Board Feuds: Essential Steps by Parents to Improve Schools* recounts parent school board feuding about controversial classroom topics such as gender and race their disagreements about school policies including those affecting tests technology athletics and discipline and the impact that parents had during the pandemic and continue to have today. *U.S. News & World Report*, 2007 **The College Board Review**, 2006 *Educational Rankings Annual 2006* Westney, Lynn C.
