Contracts For Sale Edward Izzi, Embrace your enemies When their bodies are found you won't be a suspect How would you like to hire the services of an elite group of professional assassins who will accept the assignment of deleting your most horrific adversary performing the perfect murder without a trace Chicago Sun Times Reporter Paul Crawford is asked to investigate a series of recent murders he eventually calls the Houdini Victims He begins with the investigation of a corporate executive who vanishes from a parking garage in the Chicago Loop without a trace The most unusual fact about this crime is that there is no body no DNA evidence no surveillance cameras and no fingerprints It is quite obvious that this murder was done by a professional and neither Crawford nor his Channel Eight reporter buddy Chaz Rizzo can figure out who it is Mark Stelter CEO of Eradication Inc has found a niche and a marketable demand for those who wish to eliminate their worst enemies For the price of 99 900 he has a stable of professional killers who can abduct any victim and make them disappear With the help of his affiliate company Eco Green Environmental Consultants he has the chemicals the facilities and the personnel to make any murder victim vanish without a trace He conducts his covert corporation like any other corporate entity with a board of directors meeting each month and dividend declarations to his shareholders But when one of the directors attempts to resign things start to get complicated Stelter sends his killers to track down and assassinate the former shareholder They use a unique apparatus called a bolito instantaneously killing their victims With a section in the director's contracts barring them from resigning and signing their own death warrants the shareholders of Eradication Inc are now getting nervous Although they are making millions the shareholders now realize that they are putting their lives at risk and can only escape with their deaths As the victims continue to vanish Paul Crawford continues to investigate the environmental company and how they are connected to the recent Chicago murders With the shareholders of Eradication Inc wishing to resign and make a deal with the Chicago P D Mark Stelter struggles to keep his Board of Directors unified with an iron fist It is now only a question of time before either the reporters or the shareholders become the next vanishing victims of Eradication Inc

Justice for Sale Gary Stein, 2023-07-01 Martin T Manton was a corrupt federal appeals court judge in New York who was convicted in 1939 and sent to prison At the time this was a hugely important story Manton was considered the highest ranking judge in the United States after the nine Justices of the Supreme Court and was nearly appointed to that august body in 1922 Yet his story has never been told in book length form before and never with the benefit of such exhaustive research More than just a biography Justice for Sale examines Manton's misconduct in the context of the culture of corruption and organized crime that permeated New York City in the first part of the twentieth century Dozens of others prominent business executives leading Wall Street lawyers accountants bankers fixers con men another federal judge participated in Manton's crimes The book profiles these unscrupulous and often colorful characters as well It wasn't until Manhattan D A and future presidential candidate Thomas Dewey's successful pursuit of Manton a federal grand jury

investigation and a sensational prosecution and trial in federal court that shocked the nation that Manton and his corrupt schemes were finally brought down

Book Joint for Sale Anthony Serritella, 2011-04-25 Book Jacket From taking 2 horse bets at his uncles newsstand in Chicagos downtown district as a nine year old in the 1940s to taking 20 000 Super Bowl bets from traders on the floor at one of Chicagos Exchanges Anthony Serrano has seen every bet and every character that comes with them some loved and some who wield machine guns Serrano a lifelong resident of Chicagos Chinatown takes readers on a story about his childhood experience with a book maker in the army as an options clerk and broker and as a railroad clerk Where it seemed everyone just couldnt resist the thrill of a good or bad bet Told first hand Serrano walks us through light hearted tales that often lead to funny yet sometimes serious circumstances After taking steep bets from what appeared to be a wealthy businessman Serrano is exposed to what turns out to be a drug crazed bankrupt husband who will stop at nothing to get his ex wife back and suffers a brutal fate in his pursuit Meanwhile Serrano is swept into this drama after the husband cannot pay back a bet Serrano also explains how his experience as a bookie gave him an advantage while in the army giving him job opportunities that few other reserves had He tells how his investment in a Lounge in Cicero Illinois welcomes some threatening and dangerous company and how his neighborhood connections may have saved his life From being shaken down by Chicago Police for their share of the action from a bookie on the railroads to trying to rescue a dear friend from financial ruins in the commodity markets in 1980s we see a self made man who has an unusual grace in pressure situations and an affinity for forging friendships with the most unlikely of characters resulting in some fascinating tales

Sports for Sale David A. Klatell, Norman Marcus, 1988 Although sports broadcasting has never been more popular with the fans the advent of cable TV and the proliferation of televised sporting events has greatly eroded each network s share of revenue in the billion dollar industry spawning a dramatic growth of corporate marketing campaigns and sporting events that are manipulated through advances in technology

Sport Promotion and Sales Management Richard L. Irwin, William Anthony Sutton, Larry M. McCarthy, 2008 This is a guide to promotion and sales in the sport industry Experts from the classroom and sports field offer insights and experiential data on the skills needed to succeed in sports promotion and sales

Indentured Joe Nocera, Ben Strauss, 2016-02-16 How can the NCAA blithely wreck careers without regard to due process or common fairness How can it act so ruthlessly to enforce rules that are so petty Why won t anybody stand up to these outrageous violations of American values and American justice In the four years since Joe Nocera asked those ques tions in a controversial New York Times column the National Collegiate Athletic Association has come under fire Fans have begun to realize that the athletes involved in the two biggest college sports men s bas ketball and football are little more than indentured servants Millions of teenagers accept scholarships to chase their dreams of fame and fortune at the price of absolute submission to the whims of an organiza tion that puts their interests dead last For about 5 percent of top division players college ends with a golden ticket to the NFL or the NBA But what about the overwhelming majority who never turn pro They don t earn a dime from the

estimated 13 billion generated annually by college sports an ocean of cash that enriches schools conferences coaches TV networks and apparel companies everyone except those who give their blood and sweat to entertain the fans Indentured tells the dramatic story of a loose knit group of rebels who decided to fight the hypocrisy of the NCAA which blathers endlessly about the purity of its student athletes while exploiting many of them The ones who get injured and drop out because their scholarships have been revoked The ones who will neither graduate nor go pro The ones who live in terror of accidentally violating some obscure rule in the four hundred page NCAA rulebook Joe Nocera and Ben Strauss take us into the inner circle of the NCAA's fiercest enemies You'll meet among others Sonny Vaccaro the charismatic sports marketer who convinced Nike to sign Michael Jordan Disgusted by how the NCAA treated athletes Vaccaro used his intimate knowledge of its secrets to blow the whistle in a major legal case Ed O'Bannon the former UCLA basketball star who realized years after leaving college that the NCAA was profiting from a video game using his image His lawsuit led to an unprecedented antitrust ruling Ramogi Huma the founder of the National College Players Association who dared to think that college players should have the same collective bargaining rights as other Americans Andy Schwarz the controversial economist who looked behind the facade of the NCAA and saw it for what it is a cartel that violates our core values of free enterprise Indentured reveals how these and other renegades working sometimes in concert and sometimes alone are fighting for justice in the bare knuckles world of college sports

Behavioral Economics Brandon Lehr, 2021-08-16 Behavioral Economics Evidence Theory and Welfare provides an engaging and accessible introduction to the motivating questions real world evidence theoretical models and welfare implications of behavioral economics concepts Applications and examples from household decisions finance public finance labor business health development politics education energy and sports illustrate the broad relevance of behavioral economics for consumers firms markets and policy makers alike This textbook provides readers with both the intuition and analytical tools to apply behavioral economics concepts in understanding the complex social world Each part of the book covers a key concept beginning with a range of empirical evidence that is anomalous within the standard economics framework In light of this evidence a second chapter introduces and applies a nonstandard behavioral modeling approach

The last chapter of each part explores market reactions and policy responses to individuals behaving in nonstandard ways. Numerous exercises of varying types and levels provide readers the opportunity to check and enrich their understanding. The book's clear structure orients readers to the many concepts of behavioral economics. It also highlights the process by which economists evaluate evidence and disentangle theories with different social welfare implications. Accessible to students from diverse economic backgrounds, this textbook is an ideal resource for courses on behavioural economics, experimental economics and related areas. The accompanying Solutions Manual further extends learning and engagement.
