**The Procession of the Holy Spirit** St. Anselm of Canterbury, D.P. Curtin, 2011-11-01 This Anglo Latin work explores the theological debate between the Greek and Latin Christian traditions concerning the procession of the Holy Spirit While the Greeks reject the Latin view that the Holy Spirit proceeds from the Son they share core beliefs about the nature of God as a perfect unity of Father Son and Holy Spirit The author seeks to engage in this discourse with humility and a commitment to truth using the Greeks own beliefs as a foundation for understanding their position The distinctions between the roles of the Father Son and Holy Spirit are clarified emphasizing their unity and distinctiveness within the Trinity

**Anselm of Canterbury: The Major Works** St. Anselm, 1998-09-10 For I do not seek to understand so that I may believe but I believe so that I may understand For I believe this also that unless I believe I shall not understand Does God exist Can we know anything about God s nature Have we any reason to think that the Christian religion is true What is truth anyway Do human beings have freedom of choice Can they have such freedom in a world created by God These questions and others were ones which Anselm of Canterbury c 1033 1109 took very seriously He was utterly convinced of the truth of the Christian religion but he was also determined to try to make sense of his Christian faith Recognizing that the Christian God is incomprehensible he also believed that Christianity is not simply something to be swallowed with mouth open and eyes shut For Anselm the doctrines of Christianity are an invitation to question to think and to learn Anselm is studied today because
