INTANGIBLES

Finish

Whether it is in the classroom, at home, or on the football field, I finish. Not only do I finish, but I finish strong and always strive to outperform myself and my completion. One of my favorite sayings is "A little bit better, everyday", and combining that with a "finish attitude" has served me well.

Commitment

I push myself in everything I do, every single day. I am a good student at a highly competitive college preparatory high school, and I balance excelling in the classroom with commitments to three sports, Speech and Debate and Mandarin. When I take on a challenge, I don't sleep until it is accomplished, and I use every resource available to accomplish my goals.

Huge Upside Potential

I am an incredibly hard worker, and every day I continue to develop and grow as a person and athlete. I am humbled and fortunate enough to have dynamic teammates and coaches that drive me every single day to be better. While I have had solid accomplishments and recognition on the field, I have just begun to scratch the surface of my capabilities. I am becoming a stronger, smarter, and better person, student and athlete every day. The University that partners with me is going to see that I am the hardest worker on the football field, the most respectful and dependable teammate, and a proud and vocal representative of their University and football program.
