Assigned Paris Wynters,2021-07-22 How can she become a new version of herself when she s married to her past After two of his buddies found love through the military s matchmaking program Lucas Craiger decides to give it a shot He s not necessarily looking for love just companionship and a kind reliable stepmom for his young son When he s assigned to his high school sweetheart who shattered his heart his plan for an uncomplicated relationship becomes acutely complicated Riley Thompson signed up for the matchmaking program because she needs a fresh start and the health insurance She desperately wants to build a life with a man where her autoimmune disease doesn t define her and she can prove herself But being matched with Lucas isn t the new beginning she wanted He s the love of her life she let go when she was first diagnosed Lucas is determined to make the most of this second chance with Riley but when his custody battle heats up his new marriage isn t the only relationship in jeopardy

DISCONNECTED: The Quest For Philosophy In A Connected World Melvin Poh,2025-05-15 DISCONNECTED is a bold and timely exploration of modern life in the digital age Written by public intellectual and philosopher Melvin Poh this book examines how technology while connecting us across vast distances has quietly eroded our capacity for real connection meaning and inner peace Drawing from philosophy psychology and cultural commentary Poh unpacks the hidden costs of our hyper connected world the decline of deep friendship the crisis of identity the rise of distraction the poverty of attention and the quiet loneliness that lingers beneath constant online interaction With clarity and depth DISCONNECTED invites readers to step back from the noise and reflect on what it truly means to be human today It is not an anti technology manifesto but a thoughtful guide to reclaiming agency attention and authenticity in an overwhelming age This book is for anyone seeking to think more deeply live more deliberately and reconnect with what matters most

The Wide World of Coding Jennifer Connor-Smith,2020-04-07 The best part about coding is that anyone with a computer can learn how to do it From education to healthcare to entertainment software touches almost every aspect of twenty first century life Take a high level perspective on the types of people who create that software including many jobs that do not involve writing code at all Learn about the software development cycle and the huge variety of skills developers draw on including psychology mathematics and art to create amazing apps and programs Explore why diversity is needed to prevent bias in design Learn about the different coding languages and what they are used for how developers choose a language and tools that simplify coding Jennifer Connor Smith breaks down stereotypes about coding as a career that is open only to technology obsessed gamers revealing ways people use software to improve medical care nurture dementia patients promote social justice and more Hands on activities show you how easy it is to learn to think like a coder The next generation of coders will require diverse teams creativity and ethical codes of conduct to create the best and most successful software Will you be one of them

Dante Club and the Problem with Jane T. T. Thomas,2023-12-15 It s a bit late for Dante Club to be wondering Was it wise to accept an AI bodyguard from his ex lover Almost nobody knows that Dante Club a highly

sought after intelligence agency consultant secretly moonlights as a reluctant assassin Fueled by grief and a thirst for revenge Dante takes on a contract to eliminate the man he believes is responsible for the death of his sister and niece But his bodyguard Jane el Hammadi is in serious need of an attitude adjustment and he sends Jane back to the brilliant Dr Celia Fang for a much needed alignment And then things get awkward Fate and the NSA intervene giving Dante and his investigative team the cohesion they need for an assignment that takes them into the complex matrix of international organized crime Humanity collides with homicide on the dark enigmatic streets of Los Angeles where the line between morality and immorality is as thin and sharp as a fresh razor in a pile of cocaine And then the stars come out in Hollywood
