Sean Penn:

Sean Penn Richard T. Kelly, 2011-10-13 Sean Penn wurde immer wieder als unkonventionell rebellisch und kontrovers beschrieben und als der talentierteste Schauspieler seiner Generation. Während seiner außergewöhnlichen Karriere als Schauspieler und Regisseur wie auch seines gelegentlich exzessiven Privatlebens zeigte Penn immer wieder, dass er sich nicht an Regeln hält. Seine jungen Jahre waren neben bemerkenswerten schauspielerischen Leistungen auch geprägt durch die stürmische Ehe mit Madonna und kurze Gefängnisaufenthalte. Später entwickelte er sich zu einem brillanten Regisseur, liebevollen Vater und engagierten politischen und sozialen Aktivisten. Illustriert mit ca. 45 Schwarz-Weiß-Bildern zeichnet Richard T. Kelly in dieser Biografie die auf exklusiven Interviews mit Sean Penn, seiner Familie, seinen Freunden und Kollegen basiert. Jack Nicholson, Dennis Hopper, Woody Allen, Susan Sarandon, Bono, Christopher Walken, Anjelica Huston und viele andere ein spannendes Detail und facettenreiches Bild des kompromisslosen Schauspielers und seines bewegten Lebens.

Celebrity Humanitarianism and North-South Relations Lisa Ann Richey, 2015-08-20 Discussion over celebrity engagement is often limited to theoretical critique or normative name calling without much grounded research into what it is that celebrities are doing the same or differently throughout the world. Crucially little attention has been paid to the Global South either as a place where celebrities intervene into existing politics and social processes or as the generator of Southern celebrities engaged in do-gooding. This book examines what the diverse roster of celebrity humanitarians are actually doing in and across North and South contexts. Celebrity humanitarianism is an effective lens for viewing the multiple and diverse relationships that constitute the links between North and South. New empirical findings on celebrity humanitarianism on the ground in Thailand, Malawi, Bangladesh, South Africa, China, Haiti, Congo, US, Denmark and Australia illustrate the impact of celebrity humanitarianism in the Global South and celebrityization, participation and democratization in the donor North. By investigating one of the most mediated and distant representations of humanitarianism, the celebrity intervention from a perspective of contextualization, the book underscores the importance of context in international development. This book will be of interest to students and researchers in the fields of development studies, celebrity studies, anthropology, political science, geography and related disciplines. It is also of great relevance to development practitioners, humanitarian NGOs and professionals in business, CSR, fair trade who work in the increasingly celebrityized field. **Madonna** J. Randy

Taraborrelli, 2001-09-27 Madonna: Megastar, Lover, Mother, Opportunist, Chameleon, Role model. She's all of these things and more. Yet who is she really? In *Madonna: An Intimate Biography*, author J. Randy Taraborrelli's scrupulously researched and completely balanced unauthorized biography of one of the world's most celebrated entertainers, the reader is allowed to draw his or her own conclusions. Indeed, the portrait bestselling author Taraborrelli paints here is of a truly complex woman, one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart. It is significant that *Madonna: An Intimate Biography* is the first such book written about the star in over a decade.

because in the past ten years the ever changing Madonna has gone through her biggest transformation yet from tempestuous sex goddess to happily married mother Amazingly as she launches her first worldwide tour in eight years she is now at forty something enjoying one of the most successful periods of her groundbreaking career Whereas other books about Madonna have been based on previously published material Madonna An Intimate Biography is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time including close friends business associates and even family members Since Taraborrelli interviewed the star herself early in her career he is now able to draw from such firsthand experiences to place her success story in perspective and provide new stunning insights The true Madonna as presented here is not merely a sensation seeking tabloid vixen but a flesh and blood woman with human foibles and weaknesses as well as great strengths and ambitions For the first time the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement how Warren Beatty broke her heart and why the two never wed how she and John Kennedy Jr became romantically involved his mother's reaction to the prospect of Madonna as a daughter in law and why it could never have worked out the truth of her relationships with the fathers of her two children and how as a loving and attentive mother she has evolved into a surprisingly different woman and what the future holds for her Madonna An Intimate Biography is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular trendsetting figures of our time Full of amazing disclosures about her private life and public career New York Times bestselling author J Randy Taraborrelli's latest work reveals Madonna in a new and surprisingly inspiring way Not only a feast for fans this book is great entertainment for anyone who enjoys a remarkable story stirringly told
