The 21st Century in 100 Games Aditya Deshbandhu, 2024-06-20 The 21st Century in 100 Games is an interactive public history of the contemporary world. It creates a ludological retelling of the 21st century through 100 games that were announced, launched and played from the turn of the century. The book analyzes them and then uses the games as a means of entry to examine both key events in the 21st century and the evolution of the gaming industry. Adopting a tri-pronged perspective, the reviewer, the academic and an industry observer, it studies games as ludo-narratological artefacts and resituates games in a societal context by examining how they affect and are engaged with by players, reviewers, the gaming community and the larger gaming industry. This book will be a must-read for readers interested in video games, new media, digital culture, culture studies and history. *Informationweek*, 2005 **WJEC/Eduqas Media Studies For A Level Year 1 and AS Student Book - Revised Edition** Christine Bell, Lucas Johnson, 2023-02-27 The WJEC Eduqas Media Studies for A Level Year 1 AS Student Book has been revised and updated to reflect the latest amendments to the specification.
