***Military Kids Speak*** Julie Rahm, 2011-02-04 Celebrating the role military families play in the success of America, as well as their individual accomplishments, *Military Kids Speak* by former naval physicist and author Julie Rahm is a fascinating and inspired account of what it takes to be a military kid. It's a team effort with a common goal: the mission is to describe what it means to be a part of a military family, what it takes to persevere when it comes to deployments and living abroad. It's also a candid account of the military lifestyle and how special it is to be a child of a hero. In two parts and seventeen chapters with titles like *Military Kids Speak about Deployments*, *Military Kids Speak about Living Abroad*, and *Military Kids Speak about Making Friends*, this engaging conversational book begins with over two dozen essays written by today's military kids. These young authors, aged ten to sixteen, discuss the rollercoaster ride of military life: its perks and privileges as well as its hardships and heartaches. While the second half comprises twelve in-

depth interviews with famous former military kids like Justice Leah Ward Sears Newt Gingrich Shaquille O Neal and Mark Hamill Being a military kid is special a childhood spent with the military is an adventure This first volume of Military Kids Speak is a narrative of what American kids of servicemen and servicewomen sacrifice for their country day in and day out all over the world and what they have to say about it     **The Insurance Monitor** ,1882     **The Tammany Times** ,1896
