Startup Your Life Anna Akbari,2016-12-27 A young entrepreneur and sociologist shows readers how to reach personal fulfillment using the same strategies that power Silicon Valley s greatest startups As an entrepreneur Anna Akbari learned that one of the best things about startups is their ability to pivot quickly basically a euphemism for failing and starting over And she quickly found that personal success is no different It s not just about developing and following the right process but also having a good idea And that demands rigor and daily maintenance far beyond a few positive affirmations Like any Silicon Valley startup the business of life is not as glamorous as its Instagram account would make it seem What do you do when

planning is not an option When control is out of your reach You isolate the small stuff experiment constantly and use the results to lay a more sustainable foundation for the future You validate your idealized vision by testing it out in bite sized increments You see what sticks integrate and move forward And inevitably you experience a series of failures along the way but those failures are key to your next success Living a start up life is about maximizing flexibility and measuring on going results not avoiding failure or reaching one particular end goal It s about embracing defeat analyzing it and failing up In Startup Your Life Akbari shows that after all it s often the stumbles that pave the way for real happiness Library Journal ,2009 **Awards and Honours Current Affairs Yearly Review 2021 E-book** Testbook.com,2022-01-18 Boost your knowledge about various awards news with this Awards and Honours Current Affairs Yearly Review 2021 E book Know about Sahitya Akademi Award Miss Universe 2021 World Travel Mart Award 67th National Film Awards 2021 and others here **Best Life** ,2008-05 Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life **Microsoft Windows XP** Gary B.
