Crushing Conceptualism in Modern Christianity Andrew Michael Denny, 2019-09-18 A heavy spirit of conceptualism has infiltrated the modern Christian establishments Our traditions philosophies theologies etc Everything our beliefs are built upon has been influenced by an elite world class system Have you ever felt like there has to be more to our placement in this world than going through the motions of the Sunday morning ritual called church More to this thing we call Christianity If so this book is what you have been waiting for A truth movement has emerged A remnant of modern Ark Builders endeavors to awaken those who are still asleep Every day we see evidence of what the Bible describes as spiritual wickedness in high places Ephesians 6:12 Those who secretly govern our world have an agenda to unite and target professing Christians The motive is world dominance and the method is mind control to brainwash the mass into conforming to what is socially acceptable and politically correct But we are not ignorant of the enemy's strategies This book equips its readers with information exposing this deception as it bridges the gap between conspiracy theory and demonic activity You are about to open the door to a world you never knew existed a reality of which
