Psychoanalysis, the NHS, and Mental Health Work Today Alison Vaspe, 2018-05-08 This book illustrates the distinctive psychoanalytic contribution to mental health services for children young people and adults with detailed case vignettes illustrating therapeutic treatment and the ways in which staff are supported to do work that is frequently difficult and disturbing Psychoanalytic thinking contributes to effective mental health work on many levels from Balint's Flash technique in the brief GP patient encounter to the psychiatric medical and nursing care in secure units where the most challenging patients need to be held Starting with the historical contribution of psychoanalysis to the NHS in the 1940s this book goes on to explore two key psychoanalytic concepts that remain highly relevant to the work of mental health containment and countertransference The authors include psychoanalysts psychotherapists organisational consultants consultant psychiatrists and a leading practitioner in the field of primary care

Anxiety Dr Mark Cross, 2020-03-01 Expert advice from a neurotic shrink who's lived with it all his life Consultant psychiatrist Dr Mark Cross knows a lot about anxiety Many of his patients are sufferers which is hardly surprising

given anxiety is the most common mental health condition in Australia affecting up to one in four people at some point in their lives But Mark also knows about anxiety from another perspective because he too has suffered from anxiety all his life In this book the well known author of Changing Minds who featured on the award winning ABC TV series of the same name demystifies this mental illness in his trademark warm and friendly style He looks at causes treatments both medical and natural anxiety in the workplace and more sharing his own experiences as well as stories from others The Doctorate in Mental Health Robert S. Wallerstein,1991 The Doctorate in Mental Health D M H program was an experiment inspired by the proposal and advocacy beginning in the 1950s of the eminent psychoanalyst Lawrence Kubie of a more rational and efficient pattern of training for dynamically oriented psychotherapists drawing on the relevant aspects of medical psychiatric and psychological training Though the inspiration for the program remained centered in psychoanalytic dynamic psychiatry social science and biological components of the curriculum were conceived as preparing the D M H to practice in community mental health settings and most controversially to prescribe and administer psychotropic drugs autonomously Unfortunately legislative licensure of the new degree was never attained and the aspiration to create a new profession failed Why did it fail This book and its myriad of contributors attempt to grapple with this question and combine to produce a detailed examination of the rise and demise of a new profession and its infrastructure Contents Section I The Historical Evolution Rise and Fall of the D M H Program Section II The Personal Evolution Creation of a New Professional Identity Section III The World Surrounding the Program Section IV Analysis and Overview Congressional Record United States.
