Race in American Sports James L. Conyers, Jr.,2014-05-21 These essays critically examine the issue of race in college and professional sports beginning with the effects of stereotypes on black female college athletes and the self handicapping of black male college athletes Also discussed is the movement of colleges between NCAA designated conferences and the economic impact and effects on academics for blacks An essay on baseball focuses on changes in Brooklyn during the Jackie Robinson years and another essay on how the Leland Giants became a symbol of racial pride Other essayists discuss the use of American Indian mascots the Jeremy Lin spectacle surrounding Asians in pro sports the need to hire more NFL coaches of color and ideals of black male masculinity in boxing Instructors considering this book for use in a course may request an examination copy here

**The First America's Team** Bob Berghaus,2011-10-18 The 1962 Green Bay Packers are still considered one of the most successful teams in the history of the National Football League This book examines how the team was built exploring how four of the five assistants on Lombardi s coaching staff went on to become head coaches The team was rich with personalities from the glamour conscious Hournung to the emotional Nitschke to the determined Starr Of course the strongest personality of all was Lombardi who shaped these many unique individuals and talents into a team that changed the game forever The Packers of this era won five championships in seven years including the first two Super Bowls creating a dynasty in the smallest market in professional sports Despite playing in little Green Bay the players on Lombardi s team became national heroes

**USA Today Index** ,1996 **Political Revolution in a Trumped-Up America** Michael P Fangman M.D.,2017-01-04 Americas leadership system and the wealthy patrons of gridlocked politicians exist within an alternate reality that is no longer tenable Two parties purport a struggle between irreconcilable ideologies but in truth big money controls Washington DC lobbyists Billionaires and pigs at the trough of our tax revenue set the agenda in Washington While can do innovation and productivity is evident on Main Street America refusal to collaborate on national goals paralyzes our capital Professionalism must replace the adversarial culture of our partisan system Bad governance is made inevitable by pay to play politics the elephant in the room that streetwise voters must push aside But voters are confused or polarized Finding the real story behind surface media reports is unnecessarily difficult today The critical issues facing our society are ignored or deferred unconscionably by politicians Lacking insights into this negligence jeopardy for citizens grows more real day by day We require understanding Citizens must demand two overarching reforms to create a more vibrant secure America 1 rational governance through professionalism replacing our divisive partisan system and 2 reformed mainstream media by FCC edict to provide voters with abundant intelligent coverage of election issues unimpeded by advertisers A sophisticated electorate requires intellectual stimulation Citizens need a forum for collaborative information activism where voter understanding is facilitated by digital technology Social media offers the opportunity to compare insights within a growing citizen community Objective evidence disseminated over a cutting edge website can revitalize Americas
