Susan Tyler Eastman

Oscar Predictions Vs Promo:

Research in Media Promotion Susan Tyler Eastman, 2000-08-01 Eastman has assembled this exemplary volume to spotlight media promotion and to examine current research on the promotion of television and radio programs. The studies included here explore various types of promotion and use widely differing methods and approaches providing a comprehensive overview of promotion research activities. Chapters include extensive literature reviews, original research, and discussion of research questions for subsequent study. *Research in Media Promotion* serves as a benchmark for the current state of promotion research and theory and establishes the role of promotion as a primary factor affecting audience size. Appropriate for coursework and study in programming, marketing, research methods, management, and industry processes and practices, this volume offers agenda items for future study and is certain to stimulate new research ideas. *Recommended Promotions to the Ranks of Professor and Associate Professor* University of Michigan. Office of the Provost and Vice President for Academic Affairs, 2001. *Motion Picture Herald*, 1954. Advertising and Promotion Chris Hackley, Rungpaka Amy Hackley, 2017-11-25 Using a wide range of visual examples and case studies, *Advertising and Promotion* 4th edition introduces the reader to the key concepts, methods, and issues and illustrates these with first-hand examples gathered from leading international advertising agencies and brand campaigns. Told from the perspective of the agency, it gives a fun and creative insider view, helping the reader to think beyond the client position and understand what it might be like working within an ad agency. Drawing not only from management and marketing research but also from other disciplines such as cultural media studies and sociology, the authors offer a rounded and critical perspective on the subject to those looking to understand advertising as a social phenomenon in addition to its business function and purpose. The new edition has in-depth coverage of online advertising and the role of social media in advertising, including metrics and analytics, and includes advertising examples by global brands including Adidas, Benetton, BMW, Dove, and DeBeers. Snapshots bring in aspects of cross-cultural advertising such as Barbie in China. The book is complemented by a companion website featuring a range of tools and resources for lecturers and students, including PowerPoint slides, SAGE journal articles, links to further online resources, and author videos. The textbook is also supported by an author-written blog which keeps readers updated on interesting topical examples relating to advertising and promotion from current affairs and popular culture. www.hackleyadvertisingandpromotion.blogspot.com.
