MotorBoating, 1925-09 **The Empire Trap** Noel Maurer, 2013-08-25 How the United States became an imperial power by bowing to pressure to defend its citizens overseas investments Throughout the twentieth century the U S government willingly deployed power hard and soft to protect American investments all around the globe Why did the United States get into the business of defending its citizens property rights abroad The Empire Trap looks at how modern U S involvement in the empire business began how American foreign policy became increasingly tied to the sway of private financial interests and how postwar administrations finally extricated the United States from economic interventionism even though the government had the will and power to continue Noel Maurer examines the ways that American investors initially influenced their government to intercede to protect investments in locations such as Central America and the Caribbean Costs were small at least at the outset but with each incremental step American policy became increasingly entangled with the goals of those they were backing making disengagement more difficult Maurer discusses how all the way through the 1970s the United States not only failed to resist pressure to defend American investments but also remained unsuccessful at altering internal institutions of other countries in order to make property rights secure in the absence of active American involvement Foreign nations expropriated American investments but in almost every case the U S government s employment of economic sanctions or covert action obtained market value or more in compensation despite the growing strategic risks The advent of institutions focusing on international arbitration finally gave the executive branch a credible political excuse not to act Maurer cautions that these institutions are now under strain and that a collapse might open the empire trap once more With shrewd and timely analysis this book considers American patterns of foreign intervention and the nation s changing role as an imperial power **The Canal Builders** Julie Greene, 2009-02-05 A revelatory look at a momentous undertaking from the workers point of view The Panama Canal has long been celebrated as a triumph of American engineering and ingenuity In The Canal Builders Julie Greene reveals that this emphasis has obscured a far more remarkable element of the historic enterprise the tens of thousands of workingmen and workingwomen who traveled from all around the world to build it Greene looks past the mythology surrounding the canal to expose the difficult working conditions and discriminatory policies involved in its construction Drawing extensively on letters memoirs and government documents the book chronicles both the struggles and the triumphs of the workers and their families Prodigiously researched and vividly told The Canal Builders explores the human dimensions of one of the world s greatest labor mobilizations and reveals how it launched America s twentieth century empire *The Irish Revolution* Patrick Mannion, Fearghal McGarry, 2024-12-03 How the Irish Revolution was shaped by international actors and events The Irish War of Independence is often understood as the culmination of centuries of political unrest between Ireland and the English However the conflict also has a vitally important yet vastly understudied international dimension The Irish Revolution A Global History reassesses the conflict as an inherently

transnational event examining how circumstances and individuals abroad shaped the course Ireland's struggle for independence Bringing together leading international scholars of modern Ireland its diaspora and the British Empire this volume discusses the Irish revolution in a truly global sense The text situates the conflict in the wider context of the international flourishing of anti colonial movements following World War I Despite the differences between these movements their proponents communicated extensively with each other learning from and engaging with other revolutionaries in anti imperial metropolises such as Paris London and New York The contributors to this volume argue that Irish nationalists at home and abroad were intimately involved in this exchange from mobilizing Ireland's vast diaspora in support of Irish independence to engaging directly with radical causes elsewhere *The Irish Revolution* is a vital work for all those interested in Irish history providing a new understanding of Ireland's place in the evolving postwar world *The Laws of Insurance* James Biggs Porter, William Feilden Craies, Thomas Shepherd Little, 1898 Previous edition 2nd published in 1887 **The Practice in Actions and Special Proceedings in the Courts of Record of the State of New York, Under the Code of Civil Procedure** William Rumsey, 1888 *The Law Reports*, 1888 **The Institutes of Roman Law** Rudolf Sohm, 1892 *The Law Reports. Queen's Bench Division*, 1888 **The General Statutes of the State of New York for the Year ...** New York (State), 1888 **The Burma Police Journal**, 1940 **Digest of Criminal Rulings in 146 Vols. of Law Reports, [1834-85]**. India, 1886 *Isaac Asimov's Treasury of Humor* Isaac Asimov, 1979 Here is a lifetime harvest of Isaac Asimov's favorite anecdotes jokes puns and scandalous verse 640 selections in all Everything is included from the original shaggy dog story in mercifully truncated form to famous put downs from ancient history from the cerebral whimsies of Talmudic wit to the bawdiness of the barracks The author has interwoven the tales with very personal running commentary providing much informed advice on how to tell them effectively He offers further anecdotes from his own experiences both on the lecture platform and at parties great and small as well as gleanings from his philosophy of what humor and life is all about *The Weekly Reporter*, 1871 *The American and English Encyclopedia of Law* John Houston Merrill, Thomas Johnson Michie, Charles Frederic Williams, David Shephard Garland, 1892 *The Weekly Reporter* David Sutherland, 1891 With v 26 is bound A general digest of criminal cases reported in the Weekly reporter By D E Cranenburgh Calcutta 1893 *The New York Supplement*, 1891 *The Story of the Great Fire in St. John, N.B., June 20th, 1877* George Stewart, 1877 *The Woodsides of Woodson County, Including the Descendants of William Bryan Woodside and Mariam A.
