

The Sociological Perspective

- **Sociology** is the systematic study of human society.
- The sociological perspective helps us to see the general in the particular (Peter Berger 1963).
- It encourages us to realize that society guides our thoughts and deeds.
- Sociology also encourages us to see individuality in the social context.
- The sociological perspective reveals the power of society to shape individual lives
- **C. Wright Mills**: called this POV "the sociological imagination"
