QUITE recently, Decca introduced a unique series entitled "The Original Hit Performances"—a collection of memorable highlights and great milestones in the world of recording.

The success of the series has been staggering, in particular the "All Time Country And Western" album. So unprecedented was the response, in fact, that Decca went right to work compiling the present album from its vast catalogue.

Here you will hear some of the greatest and most enduring Country and Western performances of all time—performed by the incomparable personalities that put them on the musical map.

The star-studded line-up reads like a who's who of country music—the extraordinary Jimmie Davis, the ever popular Ernest Tubbs, Webb Pierce, Kitty Wells, Rex Allen, and many many more.

We know you're going to like it . . . because you asked for it!

THIS IS A HI-FI STEREOPHONIC RECORD!

DECCA

Enhanced for STEREO

This unforgettable performance has been enhanced electronically for stereo listening. Only through this unique technique of enhancement can these recordings achieve the stereo characteristics necessary for modern stereo reproduction.

For proper stereo reproduction use RSD reproduction setting.

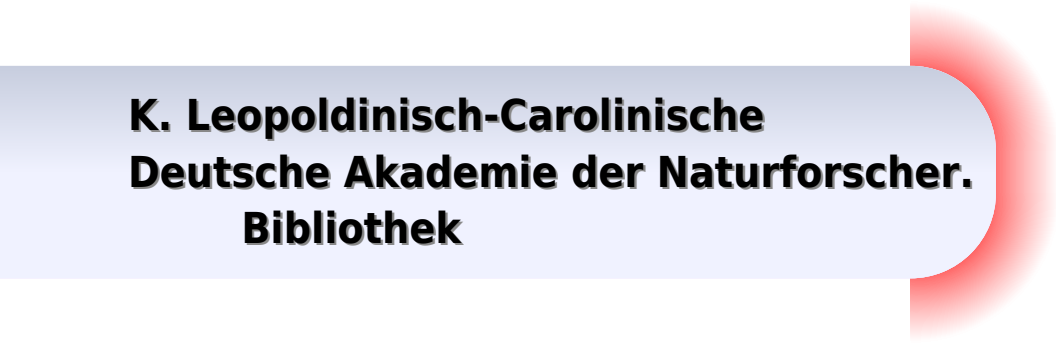

REMARKS: This Stereophonic Long Play (SPL) RSD record can be played safely on mono graphs engineered for stereo reproduction. With a change to stereo cartridge, it is possible to obtain adequate performance from many regular commercial phonographs. See your dealer or electronic services for details.
