a refreshing and insightful guide for leaders navigating today's evolving workplace. The authors take a research-backed approach but keep it practical, offering strategies to build stronger connections with employees and create a culture that thrives whether in the office or remotely. Packed with actionable advice and real-world examples, this book goes beyond theory to show how engagement can drive real, measurable change. If you're looking to inspire your team and transform your organization, this is the resource you need.

Dr. Marshall Goldsmith, Thinkers50's 1st Executive Coach and New York Times bestselling author of *The Earned Life*, *Triggers*, and *What Got You Here Won't Get You There*, is a brilliant and timely guide. The EENDEED Project sets a new standard for understanding and driving employee engagement in the modern era. As a Chief Learning Officer, I'm continually seeking resources that blend rigorous research with practical application, and this book delivers on both fronts. From fostering trust and empowerment to mastering leadership communication in virtual environments, the authoring team provides transformative strategies that resonate across industries. This book isn't just about adapting to change; it's about leveraging it to unlock potential and create thriving, engaged workforces. Whether you're navigating remote work or redefining organizational culture, the EENDEED Project is your essential guide to success.

Dr. Tiffany Dotson, Chief Learning Officer at Liberty Mutual Insurance Company, notes that organizational leadership has gotten much more complex in the last few years as continuous disruption, new generations of employees, and the prevalence of a hybrid workplace have upended the dynamics of every enterprise. The EENDEED Project is a bold effort to combine cutting-edge research, compelling case studies, and practical advice for managers navigating our changing world. This is a very well-researched examination of how to engage and bind employees together in a complex hybrid environment to ensure organizational health and performance.

Bob Marcus, managing director at Russell Reynolds Associates Inc., calls it a game-changing resource that goes beyond engagement, equipping leaders with the tools to transform their teams into organizational rock stars. A must-have for anyone serious about driving real impact and inspiring excellence in their organization.

Richard Spector, best-selling leadership and personal development author, writes: **Ambition Redefined** Kathryn Sollmann, 2018-10-11. It's time to acknowledge that not all working women are interested in climbing the corporate ladder or securing the corner office. Most want and need flexible, less life-consuming work to accommodate their real lives, and it's not weak, lacking ambition, or letting down the sisterhood to pursue professional fulfillment and financial security through less lofty or headline-making ways. Eye-opening and practical, *Ambition Redefined* is a welcome alternative to women's business books. Sollmann calls it like it is: everyday women want and need flexible work that allows them to unapologetically pursue their own brand of ambition and success. She shows them how without sacrificing themselves, their careers, or their families. Armed with practical insights and tools, readers will be empowered to go after opportunities beyond traditional definitions of work, career, and success. They will learn why they should never leave the workforce, how to make a case for flexibility in a current full-time job, how to find flexible employers, industries, and job functions, and how to return to work after time away raising children or caring for
