Hot, Sweet & Sticky Doreen Schmid,Doreen Garrett,2003 Scientific evidence shows that men are most aroused by the smell of cinnamon Yes cinnamon Who knew that a perfectly baked sticky bun would work its charms more effectively than strategically applied perfume or a black lace teddy This enticing little book offers up appetizers salads main dishes and desserts all designed to work their magic From a steaming plate of angel hair carbonara topped with caviar to a delightfully devilish chocolate cake Napa Valley food writer Doreen Schmid has gathered together a luscious bunch of recipes to help chefs of all skill levels tempt their lover from out of the kitchen and into the bedroom or maybe just to the couch Lovers everywhere will flock to Hot Sweet and Sticky to learn cooking skills to make things sizzle in more than just the kitchen

Asphalt Carl Hancock Rux,2005-05-24 Already a celebrated performance artist vocalist poet playwright and visionary Carl Hancock Rux now presents a brilliant debut novel a profound and lyrical portrait of urban life that will take its place among the classics of American literature Racine is a reserved young man but his passion for music lights him up inside He s just returned from Paris where he d been invited by a friend to produce music make recordings and earn a living The plan didn t quite pan out and now he s back in New York where fate providence or just plain chance leads him to a once glorious brownstone turned into a squat by a few eccentric loners There s Manny who wears sarongs and glitter but has no trouble attracting beautiful women and Couchette a gorgeous second generation dancer whose mother has gone to Bali to live and bear a child with a man who built her a house in the midst of a rice paddy What binds the characters is a deep sense of loss Each is like the city they live in wounded and seeking healing and connection with and through the other housemates

Rux's poetic fiction blurs the lines between characters' dreams, memory, and reality. Asphalt, the name representing the essence of the city and the hard-layered yet vulnerable sensibility of its inhabitants, is part post-modern parable, part urban mythology, and altogether relevant to contemporary reality. Asphalt is daring and unforgettable, marking the arrival of an original and astounding new voice in American literature.
