Searching For God:

Seeking God Trevor Hudson, 2022-09-20 Jesus promised Seek and you will find Do you long for a transforming encounter with the living God Jesus assures us that those willing to become seekers will find what their hearts most deeply desire Profoundly influenced by his long friendship with Dallas Willard and his experience guiding people through the Spiritual Exercises of St Ignatius for the last thirty years Trevor Hudson offers you a practical tool kit for your seeking journey Designed to help you move beyond insight to encounter the living God in your life each chapter invites you to experience the crucified and risen Christ Together with a free video series based on the book and a study guide by Dr Gary Moon *Seeking God* makes an ideal study for individuals and groups longing to discover what following Jesus may look like in our broken and suffering world as well as for individual reading

Seeking God In All Things William Reiser, 2004-05-01 The practice of spiritual direction assumes a theology of the Holy Spirit a theology of revelation and of the Church and a theology of prayer *Seeking God in All Things* explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive Since not every experience of God bears a Christian imprint William Reiser SJ asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life This question looks beyond suggesting the concrete steps a person might take in initiating nurturing and solidifying a way of praying It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God Chapters are It Is God Who Directs Imagining Divine Action in Human Lives Where Do Holy Desires Come From What's Distinctive About the Christian Religious Experience Further Elements of Christian Distinctiveness The Incarnation as a Starting Point for Spiritual Direction and Should Christian Spirituality Move Beyond Jesus William Reiser SJ PhD is a professor of theology in the religious studies department at Holy Cross College Worcester Massachusetts Over the past twelve years he has also served as an associate staff member at the Center for Religious Development in Cambridge He is the author of *Jesus in Solidarity with His People* published by Liturgical Press

Seeking God Peter Jeffery, 1980 *Finding God's Will* Gregg Matte, 2010-11-25 Pastor Gregg Matte writes God's will is not the needle in the haystack discovered only by Navy SEALs for Jesus it is actually the hay in the haystack to be found by every believer This is great news for any Christian who has ever wondered about finding and living in the will of God Through an extensive intimate examination of God's encounter with Moses in the burning bush *Finding God's Will* invites readers to shift their understanding of God's will from an event to be experienced to a process to live God's will is what happens when we seek him Readers will discover how to be on the lookout for their own burning bushes how to focus on pleasing Thee not they and how to expect God's power as they seek his will They may also be surprised to find that as they seek a deeper relationship with God his direction and guidance become clear A life centered in God's will is a promise offered to every believer and every Christian can learn how to receive that gift

Gideon's Fleece: Seeking God's Assurance Ahmed Musa

,2024-12-13 A reluctant leader A fleece of doubt God's unwavering confirmation When the Midianites oppressed Israel Gideon was called by God to deliver His people Yet Gideon struggled with doubt feeling unworthy of such a monumental task In a moment of uncertainty he placed a fleece on the ground asking God for a sign If this fleece is wet with dew and the ground is dry I will know that You have truly called me When God answered his request Gideon sought another confirmation Let the fleece remain dry and the ground wet God responded again affirming His call Gideon's Fleece Seeking God's Assurance explores this deeply human moment of doubt and faith revealing how God patiently reassures those He calls even in moments of fear and insecurity In Gideon's Fleece Seeking God's Assurance you will discover The story of Gideon's call and the challenges he faced in stepping out in faith to lead Israel against overwhelming odds The significance of the fleece and how it symbolizes the balance between human doubt and divine reassurance The deeper meaning behind Gideon's request for signs and how God's response was not a sign of weakness but an act of mercy to build Gideon's faith and courage How God meets us where we are offering His assurance in ways that speak to our hearts even when we struggle with doubt or insecurity The lessons we can learn from Gideon's story about the importance of seeking God's guidance and trusting in His promises even when we are uncertain about His plans for us Gideon's fleece is more than just a request for confirmation it is a beautiful illustration of God's grace in the midst of human weakness Gideon though uncertain and filled with self doubt was assured by God that His will would be accomplished This story shows us that it is okay to seek confirmation from God but it also challenges us to trust His voice and step forward in faith even when we don't have all the answers How often do you struggle with doubt when God calls you to something big How does Gideon's story encourage you to seek God's assurance and trust in His plans for you Gideon's fleece reminds us that our doubts do not disqualify us from God's calling God is patient with our insecurities and willing to confirm His will but He also calls us to take bold steps forward in faith knowing that His presence will guide us every step of the way Step into Gideon's Fleece Seeking God's Assurance and discover how to trust God's guidance even in moments of uncertainty God's assurances are not signs of weakness but of His love care and commitment to His people

[Seeking and Finding God](#) Dave

Hunt,2006-07-30 Overwhelming evidence indicates that we are eternal beings who will spend eternity somewhere These compelling proofs show where it will be and how we can know with certainty *The Outlook* Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1899 **Bogatsky's Golden Treasury for the Children of God** Carl Heinrich von Bogatzky,1870 **Women and Missions** Lucia P. Towne,1934 *Finding God* Jim Hall,2019-12-12 Based on the song Looking for Love in All the Wrong Places Finding God Looking for Him in All the Right Places helps people change course and choose a more satisfying fulfilling and meaningful path Author Jim Hall discusses how attaining happiness can be found through such things as work status video games cell phones and other superficial means but rather through the Bible and God Finding God is about making decisions and committing to them language being able to articulate what our words mean modern culture including its fascination with technology you and the need for more peace meaning and satisfaction in your life consciousness and the role God plays in it and Jesus of Nazareth the most influential person ever born In Finding God Hall offers a look at God Jesus the Bible and the reasons why you need to bring them actively into your life

Finding God in Unexpected Places Philip Yancey,2005-03-15 The traces of God can be found in the most unexpected places an Atlanta slum a pod of whales off the coast of Alaska the prisons of Peru and Chile the plays of Shakespeare a health club in Chicago yet many Christians have not only missed seeing God they've overlooked opportunities to make him visible to those most in need of hope In this enlightening book author Philip Yancey serves as an insightful tour guide for those willing to look beyond the obvious pointing out glimpses of the eternal where few might think to look Whether finding God among the newspaper headlines within the church or on the job Yancey delves deeply into the commonplace and surfaces with rich spiritual insight Finding God in Unexpected Places takes readers from Ground Zero to the Horn of Africa and each stop along the way reveals footprints of God touches of his truth and grace that prompt readers to search deeper within their own lives for glimpses of transcendence **Searching for Seekers** Mary J. Scifres,1998 Seekers are those who have had little or no exposure to the faith and for whom traditional worship is often uninviting and uninspired While not in tune with the language and structures of traditional church they are grasped by a deep longing for connection with God and people of faith Containing sample services for different kinds of Seeker friendly worship services this book will provide pastors and other church leaders with a thoughtful yet practical introduction to who Seekers are and how the church might best minister to them **Seeking & Finding God (B)** Dave Hunt,2021-04-02 It is astonishing how many millions of otherwise seemingly intelligent people are willing to risk their eternal destiny upon less evidence than they would require for buying a car or even a low carb food item yet the belief of so many particularly in the area of religion has no rational or factual foundation With well researched arguments and compelling proof this book demonstrates that the issue of where one will spend eternity is not a matter of preference like joining the Elks instead of the Lions In fact there is overwhelming evidence that we are eternal beings who will spend eternity somewhere But where will it be And how can we know There is no more important

question to be faced and answered
