The Game's Not Over Gregg Easterbrook, 2015-12-08 Is there anything more universally American than NFL football Love of the NFL runs deep and broad It is a primetime TV event on multiple national networks subsidized by public funds and popular from Mount Rainier to Miami Beach The 2015 Super Bowl a thriller between the Patriots and Seahawks was the most watched program in the history of television with more than a third of the country watching Yet football is in trouble Public anxiety over football spiked in 2014 during the heat of the Ray Rice domestic violence scandal the ongoing concussion crisis and the league's appropriations of tax money for its own ends The mounting problems have led some to question the ethics of watching America's beloved game In this sharply argued witty observant book Gregg Easterbrook makes a spirited case in defense of the NFL As he shows the league brings together Americans of all stripes providing a rare space to talk about what matters Indeed the various issues we see in the league are often microcosms of the ones we see elsewhere whether it's suspicion of the rich or gender politics or even concern over bullying The NFL's social economic and legal problems are real but they also produce some of our best and most valuable discussions of those issues Football is a magnificent incarnation of our national character It has many flaws and they need fixing but the game's not over *Sports Plays* Eero Laine, Broderick Chow, 2021-08-19 *Sports Plays* is a volume about sports in the theatre and what it means to stage sports The chapters in this volume examine sports plays through a range of critical and theoretical approaches that highlight central concerns and questions both for sports and for theatre The plays cut across boundaries and genres from Broadway style musicals to dramas to experimental and developmental work The chapters examine and trouble the conventions of staging sports as they open possibilities for considering larger social and cultural issues and debates This broad range of perspectives make the volume a compelling resource for students and scholars of sport theatre and performance studies whose interests span feminism sexuality politics and race **Chase's Calendar of Events 2020** Editors of Chase's, 2019-09-24 Find out what's going on any day of the year anywhere across the globe The world's date book since 1957 Chase's is the definitive authoritative day by day resource of what the world is celebrating and commemorating From national days to celebrity birthdays from historical anniversaries to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase's is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2020 Chase's also features extensive appendices as well as a companion website that puts the power of Chase's at the user's fingertips 2020 a leap year is packed with special events and observances including National days and public holidays of every nation on Earth The total solar eclipse The 100th anniversary of US women's suffrage 19th Amendment passed The 75th anniversary of the end of WWII and the atomic bombings of Hiroshima and Nagasaki The 250th birth anniversary of Ludwig van Beethoven The 100th birth anniversary of Ray Bradbury The 50th anniversary of the Beatles break up The Tokyo Olympic
