Reasserting the Disney Brand in the Streaming Era Robert Alan Brookey, Jason Phillips, Timothy Pollard, 2023-04-07

Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney's acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology **Swish** Tom Carter, 2025-10-21 SHE S THE ONLY ONE WHO CAN PREVENT HELL ON EARTH Abigail Lewis can't remember a thing about the horrific car accident that killed her mother and landed her in the care of her uncle Tom when she was six years old Eleven years later and Abby's life is a living hell She's physically abused by her alcoholic uncle and bullied at school Since she and Tom moved to the farm six months ago her nightmares have worsened They somehow feel real Like something evil is on its way There's no light at the end of the very dark tunnel that is her life Until Mike arrives It's as if this mysterious boy fell from the sky Abby can't believe her luck when he takes a special interest in her His unconventional and otherworldly good looks immediately draw her to him but when she realizes he has abilities far beyond that of any normal human she questions whether he's there to help her or harm her What is it about him He's gorgeous He looks like a bad boy She's falling for him In a big way And now she's entered a world of supernatural forces fallen angels demons and even Lucifer himself She has to save her own life and Mike's the heaven sent angel who has come to protect her Fans of TWILIGHT by Stephanie Myer FALLEN by Lauren Kate HUSH HUSH by Becca Fitzpatrick or TOUCHED by Elisa S Amore will enjoy Swish by Tom Carter

From Malthus to Mars Nicolai Chen Nielsen, Lars Tvede, 2023-03-21 A compact insightful and practical guide for leaders and managers to flourish in our coming Exponential Age Azeem Azhar founder Exponential View In 1798 the influential cleric scholar and economist Thomas Malthus predicted that the world would soon run out of food as linear food production growth would be unable to feed the exponentially growing population Fast forward 200 years and the world's population has grown almost 10 times and we are closer to colonizing Mars than we ever will be to running out of food The reason Innovation Innovation driven by mass digitization and the convergence of exponentially growing technologies We know that exponential laws often follow predictable patterns and this allows us to predict when futuristic applications will become possible and

economically feasible In From Malthus to Mars Nicolai Chen Nielsen and Lars Tvede outline the wild future that we are speeding into Wild among other things in terms of anti ageing compact farming robotics radically new energy solutions and a fast fluid and flexible world of work The authors map concrete forecasts for when upcoming technologies will break through and change our world and they paint a picture of what the future in the coming years will look like We will learn that while the future is destined to bring a multitude of new opportunities and enhanced abundance it will also bring increased demands for us as individuals and as organizations To equip us to thrive in the future Nielsen and Tvede outline eight key mindsets These mindsets will help us navigate future trends reach our most desired future and give us the ability as we understand trends to apply exponentiality and make decisions under uncertainty The authors also present ten shifts that winning organizations of the future must consider in order to transform themselves and their industries again and again Between them Nielsen and Tvede have founded co founded 13 companies advised more than 30 Fortune 500 companies developed thousands of leaders and published 20 books
