Last Team Standing Matthew Algeo,2013-09-01 An almost unknown chapter of sporting and American history Tracing the history of the National Football League during World War II this book delves into the severe player shortage during the war which led to the merging of the Pittsburgh Steelers and the Philadelphia Eagles creating the Steagles The team s center was deaf in one ear its wide receiver was blind in one eye and partially blind in the other and its halfback had bleeding ulcers One player was so old he d never before played football with a helmet Yet somehow this group of players deemed unfit for military service due to age or physical ailment posted a winning record in the league to the surprise of players and fans alike Digging into the history of the war paralleled by the unlikely story of the Steagles franchise both sports fans and history buffs will learn about the cultural significance of this motley crew of ball players during a trying time in United States history     **The Cleveland Rams** James C. Sulecki,2016-10-12 The first book to examine the history of the Cleveland Rams and the context surrounding the team s move to Los Angeles The research is thorough recommended Mind s Eye Press In 2016 the Rams left St Louis for Los Angeles having departed L A for St Louis in 1995 and caused much heartbreak among fans NFL teams are notorious for decamping to more profitable markets and the Rams history of opportunistic moves goes back to 1946 when they left Cleveland their original hometown where fans had cheered them to a championship a month earlier The move to L A from Cleveland shocked the NFL and shook up its power structure It also jolted the all white league into reintegration prepared the way for the Browns and made the Rams the only NFL champs ever to have spent the following season in a different city This is the story of how the Rams went from a home grown Ohio team funded by local businessmen to the first major league franchise on the West Coast and how their departure jumpstarted a chain of events in Cleveland that continues to this day     *Inquiry Into Professional Sports* United States.
