completing one page per night The result was Wainwright s Pictorial Guides to the Lakeland Fells Although initially self  
published they have now sold over a million copies and are still popular and much loved today He went on to present a series  
of TV shows on the BBC about walking in the Lake District that made him even better known He was an unlikely celebrity he  
preferred his own company and thought walking in the countryside should be a solitary rather than group pursuit Wainwright
