Social Media and Mobile Marketing Strategy Randi Priluck, 2016-08 Social Media and Mobile Marketing Strategy is the first digital media marketing textbook to combine social media and mobile technology with digital marketing strategy planning. It provides a framework that guides students in setting objectives, segmenting and researching potential markets, examining consumer behavior in the digital market space, and using measurement plans to evaluate success and failure. Working from a strong foundation in marketing theory, this text presents a clear set of processes for executing social media and mobile strategies in order to build brand value.

Loyalty Management Cristina Ziliani, Marco Ieva, 2019-10-08 In this insightful new text, Cristina Ziliani and Marco Ieva trace the evolution of thinking and practice in loyalty management. From trading stamps to Amazon Prime and Alibaba 88 Membership, they present a fresh take on the tools, strategies, and skills that underpin its key significance in marketing today. Loyalty management is increasingly identified with the design and management of a quality customer experience on the journey across the many touchpoints that connect the customer with the brand. Evaluating the research on best practice and offering concrete examples from industry, the authors argue that existing schemes and systems are not just things of the past but should be the optimal starting point for companies needing to foster customer loyalty in an omnichannel world. Drawing on 20 years of experience in research, consulting, and teaching, the authors have compiled a unique research-based practice-oriented text. It will guide marketers, business leaders, and students through the changes in marketing thought and practice on loyalty management, as well as offering practical guidance on the skills and capabilities that companies need if they want to be successful at delivering essential loyalty-driving customer experiences.

Uncensored Men's Rights Conrad Riker, Sick of being stepped on by gynocentric society. Tired of being told you're privileged and don't have problems. Need practical advice for coping with abusive relationships and biased legal systems. This book is your guide to understanding the redpilled reality and navigating the minefield of modern gender relations. Are you struggling with an abusive wife but feel like no one takes your side? Are you tired of being portrayed as the aggressor in every conflict? Are you losing hope in a society that seems to prioritize women's rights over men's? If you answered yes to these questions, then this book is for you. In *Uncensored Men's Rights: The Redpilled Reality*, you will discover the truth about emotional and psychological abuse in relationships. How to recognize and protect yourself from manipulation and control. The hidden biases in institutions that favor women and harm men. Parallels between modern suffering and the biblical story of Job. Practical strategies to cope with depression and avoid suicidal thoughts. Ways to reclaim your masculinity and rebuild your life after divorce. The role of religion in healing and providing a sense of purpose. The flaws in modern feminism that erase differences between men and women. The importance of male support networks in overcoming personal challenges. How family courts and social services are structured to favor women. Strategies for building a new life and finding purpose after loss. If you want to understand the redpilled reality and fight back against the feminist capture of institutions,
