**Film & Video Finder** ,1997 **The Southern Law Review** ,1881 **Justice of the Peace and Local Government Review** ,1873 Cumulative Index to a Selected List of Periodicals ,1898 *House documents* ,1891 The Delicate Balance Chris Evans, Judith Freedman, Richard E. Krever, 2011 Few aspects of revenue law generate stronger feelings than the exercise of discretionary power by tax administrations A delicate balance often needs to be struck between the legitimate needs of revenue authorities and the equally legitimate interests and rights of taxpayers On the one hand the executive and administration need to have sufficient capacity to apply the law on the other there is a need to maintain the principle of the rule of law that it is the elected legislature and not the executive or tax administration that establishes tax burdens The chapters in this volume explore that delicate balance The Delicate Balance Tax Discretion and the Rule of Law considers the critical questions that arise from the intersections of tax discretion and the rule of law in modern common and civil law

jurisdictions What do we mean by tax discretion and how does it vary in conceptual and practical terms in different tax regimes What role should discretion play in tax systems that operate under the rule of law and how large should that role be What are the legal political institutional and other constraints that can prevent abuse of discretion To what extent can and should the legislature safely delegate discretionary powers to tax administrations      **Academy; a Weekly Review of Literature, Learning, Science and Art** ,1880 The Poetical gazette the official organ of the Poetry society and a review of poetical affairs nos 4 7 issued as supplements to the Academy v 79 Oct 15 Nov 5 Dec 3 and 31 1910      Annual Report to the Secretary of War United States.
