As an Equal? Rosie Cox, Nicky Busch, 2018-11-15 Au pairs are relied upon by tens of thousands of UK families to do everything from childcare and housework to elder care pet feeding and waiting at dinner parties Traditionally thought of as privileged and well educated young women having fun on a gap year abroad au pairs have been excluded from many of the recent discussions on migrant domestic labour However since 2008 au

pairing has been effectively unregulated in the UK and the result is that au pairs now constitute one of the poorest paid and least protected groups of workers Through an examination of lived experiences As an Equal draws on detailed research to examine au pairs and the families who host them in contemporary Britain revealing au pairing to have become increasingly indistinguishable from other forms of domestic labour Crucially hosting an au pair is shown to form part of families attempts to provide good enough childcare in the context of extended working hours and poor public childcare provision This increased reliance of families on an exploited workforce is shown to form part of the wider political climate of economic austerity and raises profound questions about the position of women within the neoliberal economy

Die ganze Welt zu Hause Maria S. Rerrich, 2006 Heute putzen Frauen aus aller Welt Wohnungen in Deutschland und in diesen privaten Haushalten treffen qualitativ sehr unterschiedliche Bedarfslagen aufeinander Einerseits verlassen zahlreiche ausländische Frauen ihre Heimat um in Deutschland Geld zu verdienen wo sie auch bei guter Qualifikation oft nur im Haushalt Verdienstmöglichkeiten finden Andererseits wird ihr Arbeitseinsatz gerade dort rege nachgefragt weil hierzulande andere Ressourcen zur Verrichtung von Haus und Familienarbeit in letzter Zeit knapper geworden sind Der Haushalt gilt noch immer weitgehend als Zuständigkeitsbereich und Betätigungsfeld von Frauen Das verbindet Frauen trotz aller Differenzierungen ob als Putzfrauen Hausfrauen oder berufstätige Managerinnen des Alltags ob als Mutter und Grotmutter kleiner Kinder oder Tochter und Schwiegertochter alter Eltern ob bezahlt oder unbezahlt Damit reihen sich größere und kleinere Abhängigkeiten nicht nur aber vor allem zwischen Frauen aneinander Abhängigkeiten die inzwischen nicht selten den halben Globus umfassen Zugleich entstehen bisher von der Öffentlichkeit weitgehend unbemerkt neue gesellschaftliche Strukturen von Herr und Unterordnung

Bujra, 2000 This is a book about contradictions About the men who are better at housework than women and still retain their view of themselves as real men In colonial Tanganyika when housework for some was transformed into wage labour for others the only available labour force was predominantly male so men became domestic servants even nursemaids to babies Even today men are preferred over women as servants Paradoxically these were also militant domestics in an occupation usually characterised by passivity and inability to organise A wave of strikes involving domestic workers swept East Africa in the 1950s 60s Given this unusual militancy why did domestic servants become so politically passive after independence And equally contradictory how did an institution so sharply expressing class differences persist in a period when the Tanzanian state was proclaiming socialism and the end of class exploitations Exploring the institution of domestic service this book discloses processes of postcolonial class formation both as exploitation and cultural elaboration It also uncovers gender struggles amongst workers and those who employ them *Konflikte verbinden* Alberto Godenzi, 2001 **Women and**
