Set the Stars Alight Amanda Dykes, 2020-06-30 Lucy Clairmont's family treasured the magic of the past and her childhood fascination with stories of the high seas led her to become a marine archaeologist But when tragedy strikes it s Dashel an American forensic astronomer and his knowledge of the stars that may help her unearth the truth behind the puzzle she s discovered in her family home Two hundred years earlier the seeds of love are sown between a boy and a girl who spend their days playing in a secret sea cave while the privileged young son of the estate looks on wishing to join As the children grow and war leads to unthinkable heartbreak a story of love betrayal sacrifice and redemption unfolds held secret by the passage of time As Lucy and Dash journey to a mysterious old estate on the East Sussex coast their search leads them to a community of souls and a long hidden tale that may hold the answers and the healing they so desperately seek the Stars Alight Denise Robins, 1941 Yours Is the Night Amanda Dykes, 2021-08-03 A mysterious song in the forest A discovery in war torn France A journey toward hope The trenches of the Great War are a shadowed place Though Platoon Sergeant Matthew Petticrew arrived there with a past long marked by shadow the realities of battle bring new wounds carving within him a longing for light and a resolve to fight for it One night Matthew and his comrades are enraptured by a sound so pure a voice so ethereal it offers reprieve even if only for a moment Soon rumors sweep the trenches from others who have heard the lullaby too The Angel of Argonne they call the voice a mysterious presence who leaves behind wreaths on unmarked graves Raised in the wild depths of the Forest of Argonne Mireilles finds her reclusive world rocked when war crashes into her idyllic home taking much from her When Matthew and his two unlikely companions discover Mireilles they must embark on a journey that will change each of them forever and perhaps at long last spark light into the dark On the 100th anniversary of the dedication of the Tomb of the Unknown Soldier comes an emotive tale inspired by the courageous soldiers of World War I When Stars Align Carole Eglash-Kosoff,2011-02 The love that Thaddeus and Amy feel for one another can get them both killed He is colored an ex slave and she is white In 19th century Louisiana mixed race relationships are both illegal and unacceptable Moss Grove a large Mississippi River cotton plantation has thrived from the use of slave labor while its owners lived lives of comfort and privilege Thaddeus born more than a decade earlier from the rape of a young field slave by the heir to the plantation is raised as a Moss Grove house servant His presence remains a thorn in the side of the man who sired him Deepening divisiveness between North and South launches the Civil War and changes Moss Grove in ways no one could have anticipated With the war swirling we see the battles and carnage through Thaddeus eyes The war ends and he returns to Moss Grove and to Amy hoping to enjoy their newly won freedoms With the help of Union soldiers schools are established to educate those who were formerly prohibited from learning to read Medical clinics are opened and businesses begun Black legislators are elected and help to pass new laws Hope flourishes Perhaps the stars will now finally align for the young lovers In 1876 however the ex Confederate states barter the selection of President

Rutherford B Hayes for removal of all Union troops from their soil in the most contested election in American history Within a decade hopes are dashed as Jim Crow laws are passed the Ku Klux Klan launches new violence and black progress is crushed When Stars Align is a soaring novel of memorable white Negro and colored men and women set against actual historic events

Lyrics Gerald Gould,1908 A Light in Dark Places Daniel Sykes,2017-06-21 The shadows drift in the light of the flames that enchant them Images shift and are drawn by the light of their shapes and the silhouettes they cast The stars are set within distant paths of the light they project in the depths of the reflections from their past Darkness sits on the inevitable breadth that eternal light is seen and is sighted through the vision of the life it evolves In spectrums of the hosts it contains flames of inspiration are forever revolving in the endless gifts interacting with the light they exhume from the deepest souls that conception sets to sight Spirit is entertained by the lengths we strive to exist and existence is conceived through the entity of culmination Life sits in the inevitable perception of variable incitement curiosity can inflame Ghosts in the air of fortune are reflected by the reasons circumstance proceeds Fate is enduring in the light of our destinations and journeys extend to the reasons accessed upon labor of the roads we are bound In questions that the light is cast vision is stated upon the words that relieve its attraction Flames dance upon the wick that incites connection to the light within In circles of gravity the atmosphere is bound by the hands of time within energies of the environment contained In conception to the image in their wake shadows are posted within shapes of the silhouettes theyre cast and the objects in projection of their sight In consistence to the shifting sands of our passing motion is engaged within notice of the facts we arrive Memory is

contained within portion to the time of interaction and remains forever in the hosts understanding and upon the light we undertake Answers proceed conception to the light of withdrawal and will always be host to the entertainment of our advice
