**Fantasy** Brian Attebery, 2022 Fantasy has become a dominant mode of storytelling and it mirrors our experiences and anxieties better than any representation of the merely real This book poses two central questions about fantastic storytelling how can it be meaningful if it doesn't claim to represent things as they are and what kind of change can it make in the world

**Reflections** Peter James Ford, 2024-03-27 Peter James Ford The Unlikely Messenger is a unique individual with a broad understanding of life from having lived life from many lifestyles Peter experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter's spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger

**Vision Quest** Peter James Ford, 2023-12-13 VISION QUEST is a book recording the continual soul expansion of the seeker Peter James Ford Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport Massachusetts In Peter's late night meditations which were along the Merrimac River the boardwalk the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native American Burial Grounds and Old Hill Burial Grounds he was having vivid explosions in his mind of seemingly past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources The source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons We can access this power through ancient spiritual practices and apparently Peter has done just that Stories and Tales began flowing from Peter and he wrote his first book In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT with an eighth bonus companion book called MYSTIC Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart
