When Your Body Gets the Blues Marie-Annette Brown, Jo Robinson, 2002-02-23 Millions of women don't feel their best and don't know why. They're not outright depressed but they aren't really happy either. They eat too much or have gained weight lately. They find it hard to concentrate or have trouble sleeping. They feel tense, anxious or irritable or they're highly sensitive to criticism. They're tired and not very interested in sex or even everyday life. When Your Body Gets the Blues offers a clinically proven solution. A simple drug-free treatment known as the LEVITY program. Light Exercise and Vitamin Intervention Therapy can help women think clearly, sleep soundly, cope easily with stress, reduce anxiety and depression and lose unwanted pounds in 8 weeks or less. The author's easy-to-follow program includes self-quizzes, tips for increasing exposure to light and getting mood-elevating exercise even on dark or rainy days and six recommended vitamins and minerals proven to relieve the Body Blues. Marie-Annette Brown, Ph.D., R.N., tested the LEVITY program on real women and they improved significantly far more than women who took placebo pills. In fact, many participants cut their feelings of depression in half. One woman who completed the LEVITY program said, "I know that if I ever feel blue again I have my own way of feeling better. I won't have to run to my doctor for a prescription." Now for the first time, When Your Body Gets the Blues offers the groundbreaking LEVITY program to women everywhere. All it takes is a small investment of 20 minutes and a few pennies a day. With this clinically proven program, any woman, young or old, active or inactive, can regain control over her mood and her life. I Love the Beach, Poetry, Long Walks, Night Runs, Riding My Bike, Sunsets and Smelling My Own Feet... Edwin Estuya, 2011-03-30 this is a summary of his daily thoughts which he wrote every night. He loves the beach, poetry, long walks, night runs, riding his bike, sunsets and smelling his own feet. Though this is not a perfect commercial-grade book, this is a story of a person's life, a true story of his wanderings, his convictions, his passions, his dreams, his frustrations, his love. Yes, these thoughts come from his heart; this is his story of his road to greatness if there's ever one for him, a true story to tell the whole world and the ones left behind. PATHWAYS TO THE PLANETS John R. Strand, 2004-11-05 When my generation grew up, we were never limited by the sky or the stars. Man had already begun to probe its mysteries. Our mothers and fathers before us had created methods, maps and ships that would forever change their planet and the way their children would view the world. So when our small new media company was offered the opportunity to work with John Strand and Pathways to the Planets, we all knew that it was a chance of a lifetime to work with someone who was instrumental in helping man reach that small rock in space called the moon. We live in the new world created by those brave pioneers and today are posed new frontiers: nano science, cyberspace, molecular medicine, etc. All afforded to us humans at least in part by the extraordinary people portrayed in this book. Pathways to the Planets is a unique insight into the lives of those individuals as told through the memoirs of Astrophysicist John Strand. I personally found this book to be an affirmation for anyone who seeks adventure and welcomes challenge and

certainly a must read for those who were there on earth during that exciting time What a journey producing this book has been For more information on John Strand Pathways to the Planets or the early days of the space program go to [http www pathwaystotheplanets com](http://www.pathwaystotheplanets.com) by Perry Berryhill President Panacore Corporation **The Art of the Show** Sandra Morrow,2002 **Better Nutrition** ,2000-09 Reaching nearly 1 million readers monthly Better Nutrition celebrates 70 years as a leading in store distributed magazine for health conscious consumers Widely distributed to thousands of health food stores and grocery chains across the country Better Nutrition provides authoritative well researched information on food nutrition dietary concerns supplements and other natural products Brandweek ,2004-04 **Cincinnati Magazine** ,1991-02 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Bon Appetit: Home by the Fire** ,1995 *San Diego's Deals and Steals* Sally R.
